ABOUT THE BOOK'S GRAMMAR

The notes given in this book are a part of the servant's personal experiences and training, lacking perfect grammar and extensive editing to keep a more authentic presentation of actual training events. Sometimes, Yahweh doesn't say "an" when needed but would use an "a." It's not a grammatical error but a note of the actual way spoken.

ABOUT SERVANT SEERSGATE

Susanna (called Seersgate by Yahweh) is a world-level hearing and seeing prophet who engages in conversations with Yahweh, given delegated governing to carry a mantle that operates in the work sphere as if a prophet of old. She spent ten of her thirty years of novice training in a spiritual cave under Yahweh's plan. Throughout her novice training, Seersgate tasted different levels of spiritual engagement with angels and demons in tester work environments.

As Yahweh leads, this work with the Great Holy Spirit will include demonstrations of creative miracles, wisdom, judgment, and experiential learning. We will publish messages, teachings, and training material without reservation to build up Yahweh's Church.

My Testimony

BEFORE ENGAGING THE SPIRITS

In spiritual warfare:

- Do not gauge your level of protection based on someone else's delegated authority.
- No church you attend will be able to give you a covering that will keep you safe from your territorial actions. When you sin, you are the one who will be under torment.
- Your body should be the temple of Yahweh, and you should not yield it to sinful dealings. A "closet" sin is never just kept behind closed doors. The spirit realm is capable of seeing your private actions,
- Demons and angels will note your level of governing authority in the spirit realm.
 - When you enter a new territory, always go prepared. To prepare, learn about the territory, and never gauge your level of spiritual protection without getting Yahweh's insight. Do not assess the nature of the opposition with human understanding or based on how others handle warfare.
 - Here is an example of assuming guaranteed spiritual protection: People view horror or perverse movies, saying that Yahweh will protect them from the torment of demons because what they are watching is all "fake and could never really happen." But the person who watches movies that enable a conjuring of demons is not actually safe from invasion or a territorial breakdown of spiritual defenses even as a Kingdom citizen.
- Yahweh is a covenant God who carries Kingdom surgings not just in natural territories but also in those who are under Kingdom order. The protection under the covenant of Yahweh keeps us safe, guarded, and in the hands (authority) of King Jesus. The problem arises when there is rebellion against Yahweh's will when there is a yielding to Satan's way.
- When a movie brings a glorified platform to a demon (Satan or any other), it engages a form of conjuring, which says to the spirit realm that the territorial earth

(the human clay body) yields in who has a territorial right to takeover. Thus, when a Christian views movies or TV programs, reads books or attends gatherings that literally give Satan or any demon a welcome plan through an act, statement, or glory, Yahweh will not overrule a person's free will but will allow the demon to invade that person.

- Declaring what you hope will happen is not praying. To pray to Yahweh comes with asking for help with whatever is going on. People declare and decree what they hope for, and some would take Scriptures out of context and demand the God Yahweh to bend to their will. To pray is to petition the will of Yahweh, not tell Him what to do.
- No human can set anyone free spiritually. Only Yahweh can heal, deliver, and set free. I hear people on media outlets stating, "I set you free," or "I declare that you will have..." or "I give you healing," and so on. Human instruments (ministers, servants, preachers, etc.) do not have the ability to be God, so we must ask Yahweh (Father, King Jesus, and Great Holy Spirit) for help.
- In battle warfare, the person must engage the spirit realm solely at the will of Yahweh, not based on fads or willpower. The Kingdom will influence the world at the will and power of Yahweh, not by what a human would think they could persuade Yahweh to perform.
- Purposely putting yourself in harm's way will not guarantee protection. Why is that? Isn't that one of the sayings that Satan gave King Jesus when He was tempted?

(1) Now Jesus, full of the Holy Spirit, returned from the Jordan and was led around by the Spirit in the wilderness (2) for forty days, being tempted by the devil. And He ate nothing during those days, and when they had ended, He was hungry. (3) And the devil said to Him, "If You are the Son of God, tell this stone to become bread." (4) And Jesus answered him, "It is written: 'Man shall not live on bread alone.'" (5) And he led Him up and showed Him all the kingdoms of the world in a moment of time. (6) And the devil said

to Him, "I will give You all this domain and its glory, for it has been handed over to me, and I give it to whomever I want. (7) Therefore if You worship before me, it shall all be Yours." (8) Jesus replied to him, "It is written: 'You shall worship the Lord your God and serve Him only.'" (9) And he brought Him into Jerusalem and had Him stand on the pinnacle of the temple, and said to Him, "If You are the Son of God, throw Yourself down from here; (10) for it is written: 'He will give His angels orders concerning You, to protect You,' (11) and, 'On their hands they will lift You up, So that You do not strike Your foot against a stone.'" (12) And Jesus answered and said to him, "It has been stated, 'You shall not put the Lord your God to the test.'" (13) And so when the devil had finished every temptation, he left Him until an opportune time.

—Luke 4:1-13 NASB

- Do not test Yahweh, hoping He would bend to your will. Will Yahweh deliver us when we purposely yield to territorial invasion by entering spiritual battles unprepared or based on what plan we think is better?
- When we go into spiritual battles, distractions are the plan used to take us off course. These distractions are not only flesh and blood but can also be the strain of everyday living. We get worn down and start to feel hopeless. Hopelessness is like kryptonite to the fictional character Superman, like a weakening agent that keeps us from drinking from Yahweh's constant source of power: the Word of the Lord. The Bible keeps us steady in God and continually drinking from Him so that when distractions come, we will remember Yahweh's faithfulness through His promises and endure.
- Digesting the Word of the Lord keeps the human mind in a continual transformed and renewed state, less likely to be weighed down by the cares of the world. Being in Yahweh's Kingdom doesn't mean that trials, persecution, and troubles will not come, for we are guaranteed painful experiences. But the Word of Yahweh will

keep us firmly rooted in the blessed hope that one day there will be a permanent rest in Yahweh's care, free from pain, death, and the former way.

Why write this training into a book form? Yahweh demanded I share so that others would begin to have a better understanding that spirits in the earth are not only angels, and so that there is an awareness. I depend on God Yahweh, and I will not give a pretense that I can heal, deliver, or bring Yahweh's will with my human clay.

This training collection aims to help us remember to put our trust in the Great Yahweh and look for eternal Way, Truth, and Life in King Jesus, One of the Persons of the Godhead. Yahweh is God the Father, God King Jesus, and God Great Holy Spirit. Let's worship the Three Persons, the One True God.

Part One

VISITS

DEATH, FEAR, AND NEW AGE

Cave Training, Kodiak, Alaska

STAGE ONE / ENTRY ONE

Last night was the first of a series of training in dealing with demon influences. They have been given an entryway to come and operate in the place I have been living in. The Great King has willed this so that the servant will be well-rounded to deal with the different ranks of demon influences, even Satan. There is no way to fully explain this training method other than to write different details concerning what took place in each training detail.

I noted that the demons had different voices: They didn't sound like the others did. Their tone didn't scare me, yet I realized I must fully listen to the Great Holy Spirit and do the will He would bring me. It started at a late hour—after eleven in the evening. The Great Holy Spirit spoke to me, stating, "It has begun." I knew He was referring to the training He mentioned in a recent meeting to expect to move into doing. I was ready to receive the Great Holy Spirit's plan even though I didn't know what would occur in these real warfare training meetings with demons.

The first demon to come was different from what you would expect. It didn't sound like an evil spirit would. Hearing a kinder-sounding voice made me think that most would be easily persuaded to follow this demon because the voice moves differently from the voices in movies that portray demons in a certain way. When the Great Holy Spirit told me the demon was in the place to deal with me, I knew it was no longer a regular student-Teacher type of training. I knew that the demons sent to deal with me longed to destroy this servant and took full advantage of the opportunity, even if sent as "training toys."

I was there, lying on my bed, waiting for the demon to approach me. I waited for Yahweh's plan when dealing with each demon before speaking out loud. There was no

room to move in doing what I read in a book, nor was there a way to gauge what the demon would do based on what I saw in a movie. I learned that the Great Holy Spirit would be the best Teacher to deal with any demon in real-time while the details are taking place. The first demon came, and I thought nothing much of it. The demons were in the room, yet I could not feel them near me with my spiritual office traits, as in other dealings. Yahweh is teaching me to listen with my spiritual ears, hear the words, and respond based on what the Great Holy Spirit would speak.

This training teaches me to deal with demons, using my spiritual hearing solely. To train this way required knowing the Great Holy Spirit's voice, the voice of the angels in the room, and then *knowing* the difference when the demon spoke. Demons were once angels that rebelled against Yahweh. Satan is a demon and leads all devils under his plan.

One demon came and spoke, saying a Bible verse, asking me if I believed that no weapon formed against me shall prosper. I didn't know that a demon would do that, where they would quote Scripture first to move to destroy me. Sure, we know of Satan using Scripture against King Jesus when He was in the wilderness, but it was different for me to hear active sayings against me. Scripture came from the demon.

This experience makes me see that the unseen realm may move in creatures that know more of the Word than a true believer in Christ. There I waited for the Great Holy Spirit to speak. Yahweh told me of that demon and what he would do to different people, to weaken them. This demon would move through weapons against the saints to weaken their shield in the unseen. The believer must put on the armor of the Great King Jesus but must make sure they are well-equipped with the Word of God in studied ways.

As the Great Holy Spirit revealed this demon's motive, I began to drink even deeper into the will of the Great Teacher. The Great Holy Spirit told me to speak to the demon this way: "The Word is Truth, and you have a wrong motive to use this." This statement is the essence of what was spoken so you could drink it. I told the demon that the Word is

true; it is not to be debated; it stands on its own without needing to debate with a demon regarding the Word and its ability to protect me. Then we waited for a reply. I had also told the demon to go where King Jesus would send him.

Most of the demons would state the same reply when told to go where King Jesus would send them. They would say, "King Jesus sent us." It was amazing to note that the demons who spoke would recognize that the One True Moving is the Great King Jesus. There was a full acknowledgment that the Great King Jesus is who they have to submit to, even over their master, Satan. I liked that. That made it clear that all authority is truly given to the Great King Jesus, just as the Scripture states.

DEATH AND FEAR

Some demons came in a group. They said, "We are here." That was different. I noted they knew Yahweh sent them as training tools and that I was waiting for them to show themselves. They came and spoke, but I didn't address them until the Great Holy Spirit gave me a drink in His wisdom to know how to deal with them. He told me who they move as: They were the demons of *death* and *fear*. The demons stood in the room, waiting for instructions for the training.

These were demons who moved differently than the movies would project them. These demons were instructed to leave based on the authority given to me in the name of King Jesus. Their reply was the same as the others: "King Jesus sent us." I waited for the Great Holy Spirit to reveal even more about these details. So, since King Jesus sent them, I couldn't make them leave. So, the Great Holy Spirit had me instruct them to "go to another place in the dwelling but don't come any closer." Some replied, "Yes."

I noted that other demons were angry that they could not get any deeper into their wicked way to move to destroy me.

NEW AGE

A demon came, and I didn't know it. The Great Holy Spirit had to tell me a demon was in the room. I needed Him to tell me this because the demon didn't speak. So, at the leading of the Great Holy Spirit, I had to get some details for it to leave. It didn't have to go, so I had the demon moved to a different place in the house, as with the others. There was a moment where I noted my thoughts were being affected. And it got my attention since they were very contrary to what I would usually think. The Great Holy Spirit confirmed that a demon was in the room with me. So, at the leading of the Great Yahweh, I also turned to address this demon.

One demon came in of great rank. I only know this due to the Great Holy Spirit revealing this detail. It was a demon of New Age. The demon's motive was to get the people to embrace the New Age moving, to look within and embrace themselves as a lowercase god. The demon was not happy that he was used as a training toy to teach me his ways. Even though he moved in the way of greater rank, this demon still had to submit to the authority in King Jesus. The angels also took him to another part of the house where I slept.

The demon who moved to deceive people through New Age influenced a person's thoughts to focus on a detail in a sinful leading. The demon named New Age would place thoughts that would lay a web for a deeper way of weakness to move into the believer if left to dwell on.

Engagement with the New Age demon showed me that I needed to keep my mind in order and think about things that bring glory to Yahweh. The mind should not wander or dwell on being emptied for inner ways of attempting to reach new levels in attaining godlikeness. This deception is what the New Age agenda will drive you to do, where you look to yourself for perfection and aim to become the higher power.

King Jesus doesn't want us to look to ourselves as a lowercase god. Focus and meditate on His Word. Focus on what the Great I AM says. Meditate on Scripture, not on reaching a higher plane in the spirit, where you hope to attain a position in higher consciousness. A form of demon influence pushes self-worship due to exalting yourself as a lowercase god. There can only be one God, and if you remove the Great King Jesus from a place of ruling within, you risk opening yourself to various demon influences through these things related to the New Age outlets.

Don't think that yoga is not an outlet that brings spiritual bondage; it is. Yoga is only another web of the devil established to get people to position themselves to open up to a demon influence. The root of yoga itself is in the principles of demon-based religions, but most will not see it. They consider the detail as a get-in-shape-relax type of element. They have truly moved this demon form of worship into movies, social gatherings, schools, and media outlets.

People invite yoga outlets to different ministries and events so that people can participate. Practicing yoga is a deeply embedded web laid by the enemy of the Great King Jesus. Do not join in yoga, a satanic action. If you have participated in yoga, ask King Jesus for forgiveness, renounce your sin, and ask the Great Holy Spirit how to strip away from involvement in yoga. Participating in these activities is not a detail to take lightly.

You should note that you can drink in the ways of Yahweh and still host a demon in your body. You are a territory. Know this, and don't be confused. Obey Yahweh's Word and do His will. Don't give heed to seducing spirits. Don't embrace any form of New Age. Seek the counsel of the Great Holy Spirit to know which spiritual doors are open to any demon influence. Don't live your life in fear, thinking you are entirely under demon possession. In possession cases, those fully taken over by a demon would lose the ability to do their own will, and the demon would control the host, the person. Now you know, so, no longer be deceived.

A PRAYER FOR FREEDOM FROM NEW AGE

Yahweh, King of the universe, I have dabbled in sinful plans that have opened the spiritual doorway, causing torment. I am in Your will when I give You a full leading in my body, soul, and spirit. Right now, the God of all spirits, King Jesus, dwells in my whole way. Lord, create in me a clean heart and renew the right spirit in me. Please forgive me of my sins and for placing lowercase gods before You. Wash me, cleanse me, and seal Your purpose in my whole way with Your blood. Break off every trace of demonic influence from my work, home life, and social outlets. Bring a clear, seeing way so I will not sway or falter. Fill me with Your Great Holy Spirit. Help me to stand in Your will and be bold to declare Your way of healing. Thank You for loving me. Amen.

A THOUGHT TO PONDER

November 24, 2021

Dear Reader:

Can Yahweh intervene in your life? Can the God of the universe care enough to send help? If you bow down to Him within your whole being and cry out to Him, letting Him know how much you need His help, He will hear you. Yahweh cares, and He doesn't give us restrictions when dealing with the spirit realm to bring us a boring way of living. Yahweh wants us to remain free from the chains of bondage brought on by Satan and the other fallen angels, now called demons.

The world portrays these demons as a needed boost to have freedom and true life, yet if people would take a step back and look at how true freedom comes in love and correction, there would be a breakthrough. Would this love that Yahweh gives bring soft, cuddly feelings? Not always. Would you provide soft, cuddly feelings if you see your loved

one about to enter harm's way, or would you bluntly run after them to stop them from causing seen and unseen danger from taking over their being?

Yahweh cares, and His way of caring is not always free from judgment, rebuke, correction, and realignment. Why does Yahweh do those "caring" actions? Yahweh's way draws us back into Kingdom alignment. Some of the stories I shared are over a decade old, yet the lessons learned can be noted for today, for demons continue to bring havoc to those who would not bend to Yahweh.

DEMONS IN THE KITCHEN

Cave Training, Kodiak, Alaska

STAGE ONE / ENTRY TWO

Today's teaching with Yahweh was different; it was not what I expected. I knew the demons would show because they were in the home even before the training. They were waiting to begin before I was. I noticed a demon was speaking to me when I went into the kitchen to get something to eat, asking me if I was ready for them. And so, I know they knew why Yahweh sent them. When I returned to the kitchen again, they spoke in their own way, saying they knew I knew they were there in the room in another part of the house.

There were different demons than the evening before. This past evening, the training's main goal was to learn of their nature without knowing their names. I could tell when the first demon made its way to the bedroom for the first training of the evening. He didn't even have to speak because the Great Holy Spirit told me he was there. I noted the demon, yet I didn't say a word until I heard the Great Holy Spirit's voice giving me the will to drink for the meeting. Yahweh made it clear that the demons knew the Great King sent them, and they knew they were being used to train me.

We began with the first demon who stood in the way by the bedroom entry and waited for instructions from Yahweh. I couldn't see the demon. Here, I ultimately depended on listening clearly to what was being stated by the Great Holy Spirit. That was the way I dealt with each demon. The Great Holy Spirit told me to send the demon to a location in the house where King Jesus would command.

The demons already knew Yahweh sent them to engage me. We just placed them in a part of the home where Yahweh commanded. This demon said they would submit to the authority given to the servant of the Great King Jesus. They recognized me in the spirit,

where they could see it—the mantle—the delegated authority to do the will of the Great King Jesus.

The next demon didn't operate the same way. We moved to deal with him based on doing the will of the Great King Jesus. The plan given is through the leading of the Great King Jesus, and the Great Holy Spirit pushes the plan. This demon spoke and didn't want to acknowledge King Jesus by His full position as the Great King. He spoke to me in a plan of great anger. He wanted to get closer to destroy me, but he could not due to my level of protection.

I became anxious as I waited to hear the will through the Great Holy Spirit. I wanted to think it through right now and not have a demon sit close to me, waiting to receive instructions. What seemed like ten minutes was close to one minute, yet I thought it was too long. So, here's what the Great Holy Spirit willed: He had me wait for a different reason so He could teach me the importance of not moving ahead of Him. He told me that there was no hurry to begin to work.

It was important to learn that I must wait for the Great Holy Spirit to speak to know what must be done. This notion changed my view of ministry sessions, where a minister would run to lay hands or give speeches to the demon and not wait at all. It's as if they think the cookie-cutter method is a sure solution to dealing with demons of various ranks. But this is not so. The Great Holy Spirit taught me this lesson even as the demon stood there waiting for instructions.

I knew this demon didn't want to be there. The demon had a nasty nature, making it known he didn't think it was fair to be treated this way. When the Great Holy Spirit gave the order to have him placed in another part of the place where I slept, I heard the demon protest the will given, yet he still had to go where King Jesus willed. I heard a demon say that the way they were being treated was not fair. This speech from the demon is the general reply to the order to take a demon to a different place in the

dwelling. I was also allowed to hear the angels speak, saying they carry out the will given through the servant of the Great King Jesus as it came from the Great Holy Spirit.

PURE EVIL

Then came a demon who moved in high rank. The Great Holy Spirit didn't tell me of the demon's motive, but He made a few details clear as the demon stood in the way of the entryway to the bedroom. He told me that the demon in the doorway was Pure Evil. That is the actual name of the demon—Pure Evil. He spoke to share about the nature of the demon, how he looked, and how much he wanted to destroy me. The demon named Pure Evil moved in a rank a little lower than the New Age demon from the evening training the day before. He had tentacles and was massive. The Great Holy Spirit shared that the demon that stood there moved opposite in nature to the Spirit of the Living God. This demon was not subtle in his level of influence. This demon carried a penetrating surging of evil, oozing from his nature.

The Great Holy Spirit revealed a plan to me. He showed me that the way the demon moved would be a great shock if I experienced the full engagement of the demon's nature in training in one session. Yahweh told me He placed a restriction on my spirit due to not wanting to shock me due to the difference in the nature of a demon of this rank in the kingdom of Satan.

The Great Holy Spirit was making clear: I was only dealing with demons in one part, and it was only time to learn to hear their ways in speech and nature, to distinguish them. That evening, I learned I would train in stages: First, learning to hear in the spirit to tell when a demon is speaking. Next, the Great Holy Spirit will allow me to feel them in the room, where my spirit notices their evil presence and material makeup. After being able to sense demons in the room, the other stage would be to see them and fully engage as if they materialized. The Great Holy Spirit will release me to see and interact with this unseen realm in advance upon having the critical skills.

The demon still stood there as the Great Holy Spirit gave me this lesson concerning it. Then the Great Holy Spirit told me to speak to the demon to tell it to go to a place in the home where King Jesus wanted. This demon had the fiercest approach I had yet seen. The demon yelled at me, stating he hated me. Pure Evil continually spoke evil against me while I waited to drink from King Jesus. This demon even spoke, saying he was a high-ranking demon who shouldn't be treated this way. It amazed me that even demons cared about their ranking in a demon-structured detail.

How do the angels operate? Would they also have a structure where they would submit to Yahweh and do the work given to them based on their position? I knew that angels have different duties. There are guardian angels. Some angels move to guard churches, while others guard natural territories.

I know that Yahweh has angels guarding various places. I knew that angels could take a position and guard a nation. It is even given for angels to move into guarding territories for the Great King. There was a vision that the Great King gave me. He showed me His angels great in size, walking over the world, doing the Great King's will. Wow, those are major angels. King Jesus commands all angels to do His will in and around the earth.

Why move in fear, with the Lord giving His will to keep and watch over you? What is preventing you from reaping this blessing to be in the will of the Great King? Look to the Great Holy Spirit to reveal any entryways given to the devil and the demons who serve him to come and move against you.

There is no fear in surrendering to the Great King Jesus and serving Him. There is pure love, peace, and joy in the Great Holy Spirit. Even so, you will drink pain, sorrow, and hurt from being in this way of earthly living. But do not keep hurt and pain within. Release the hurtful ways to the Great King Jesus so that He will be able to move within and bring full healing to you.

There was one other detail to mention briefly. The last demon to come to the door didn't try to fight at all. The Great Holy Spirit revealed he was a lower demon in rank, and he saw what took place against the higher-ranking demon. He chose not to do anything, realizing he didn't have a plan of victory due to the authority given in the name of King Jesus.

Imagine if the people of Yahweh will drink the will to embrace the delegated authority that comes from knowing King Jesus. What will result from the people walking in the purpose and the full way given by the Great King Jesus? Many demons that Christians deal with would genuinely submit to the way given to them to take, as a believer speaks it in the given authority of the Great King Jesus. You can make demons submit to Yahweh's power. Listen to the Great Way King Jesus. Seek the power from the Great Holy Spirit. Yield to living Yahweh's will in humble ways, giving all glory to our Lord and Savior, King Jesus.

A THOUGHT TO PONDER

November 24, 2021

Dear Reader:

Many will not be able to embrace this level of training. Why should there be an understanding that Satanists can have their encounters with the unseen world while Christians are not willing to take a moment to talk with Yahweh and get another perspective of what is at hand? We should seek Yahweh before taking on any level of spiritual engagement. And when Yahweh starts to reveal His great will, have a Kingdom power way, and with humble planning, drink.

TWELVE-FOOT-LONG SNAKE

Cave Training, Kodiak, Alaska

STAGE ONE / ENTRY THREE

Yahweh gave me time to write down the details of the elements that took place on the same evening. The Great Holy Spirit made specific points very clear tonight; I will never forget them. The first demon to present itself at the entry of the room looked like something seen in a previous dream, yet the demon could not be fully seen this day, just heard, still, with my spiritual hearing.

It was a snake of enormous proportions. It was twelve feet long and an oversized two feet thick. The Great Holy Spirit gave the dimensions of this snake. I didn't want to overthink its makeup due to remembering the dream's details in a very graphic way. The devil gave this snake a plan to come into churches to bring deception, discord, and strife. Its goal is to break up the spiritual Body within different church buildings. Satan gave this demon plans to bring disorder, where the people would be confused and move against each other.

It was possible to discern the demon's nature in the natural environment. You would be able to tell if it is in a church gathering due to a lack of submitting to each other: There would be actions to compete; there would be a lack of the pure love of the Great King Jesus, where the people willingly move in service to each other, and most, to do the will of the Great King in each dealing.

This spiritual snake is very busy, not just in a church setting but also in different natural establishments. There is strife and discord among the people in a nation. Some actions destroy each other in the business world through unhealthy practices to make details look like they have made a successful living. People break up their families. They break up stable groups of the same faith in different places of worship.

The devil moves this demon throughout realms and regions, hoping to bring division into the Body of God. When people look to the Great King Jesus to lead them, the Body will shift as a whole. There will be healing and deliverance when the people drink from Yahweh's Spirit instead of wallowing in deep religion and Satan's nature.

The demon stood there, waiting for instructions. I stayed in my bed, waiting for a drink from King Jesus through His Great Spirit, who is moving to teach me these details. I cannot know what the will would be without waiting for the leading of the Great Holy Spirit. Without Him, I would be moving to assume I know how to move forward in this great warfare training. It is active training due to the demons moving in a real way against me, even with this restriction, where I can only interact through what is heard in the spirit way.

The Great Holy Spirit told me to speak to the demon in the way He had given me to speak to the others in the previous training sessions. This demon spoke the same reply as the others—that King Jesus sent it. That was what we would drink to know this moving given through an order by the Great King Jesus. So, the Great Spirit of the Living God told me to send him to a place in the dwelling that the Great King Jesus willed. And so, I acted on His great will.

Another demon took its place at the entry of the bedroom. The Great Holy Spirit revealed great details concerning this demon. There was a true connection between this demon and the messenger from Satan that was already released in the field to move against me. This demon was Gossip. It stood there, waiting for instructions. I told him what the Great Holy Spirit had given me to speak to him, and he didn't reply as expected. It told me to send it somewhere, to where King Jesus willed, but it moved to speak untruth, just as its nature.

I didn't give in to the lie but continued to move to send it to a place in the dwelling as the Great King Jesus willed. This demon works very closely with this messenger from Satan in the plan to bring rejection against this servant, to get a moving that has been placed in the will by the Great King Jesus, to keep me looking to Him for all dealings.

I waited for Yahweh to reveal His will as a demon I recognized approached. This demon was familiar to me due to it once dwelling within. This demon is no longer within, but there was a way to note him. He had a dark countenance. He had bat wings. His features were what you would see in a movie with the demon perception, yet he moved skillfully, unlike what a film would reveal in demon movements.

The demon's eyes were like a serpent—a detail that will be revealed in the movie *Rapture*. I cannot forget his features due to having seen them in my spiritual seeing, as revealed by the Great Holy Spirit.

Yahweh brought to light the nature of the demon standing in the doorway: It moved to cause deep cravings in a person to move in unnatural ways. For me, this demon gave me a deep longing for the same gender, where it was hard to control what I craved. There were many intense evil cravings within, and the demon that stood before me played a major role in the person I once moved in to carry out. He knew me in both ways of living. He waited, and I drank.

This training was a plan to remember. The Great Holy Spirit gave clear details that I will drink for the remainder of this way of living. He made it known that this demon often tempts me to think about those details from the past. Yahweh told me not to dwell on these influenced thoughts because they would be deadly due to the surging of transforming power and fire that would flow through me. It took a few minutes to drink in these details. I realized that this demon would come back to look for a weak area to enter me, to bring greater levels of evil within that would destroy me.

Please note this point: Once Yahweh delivers you from a demon, the demon will make an effort to try to return to their old home. Demons will look for a way to get their host back. You must ensure you have sealed your spiritual way with the blood of King Jesus. If you do not deal with the root issue, hurt, pain, and so on, the demon may use that weakness to reenter with other demons who have an even greater way of influence and would make you even worse than before.

The demon before me was given the same notice as the others. And this demon was furious. The demon even replied that he knew it wasn't a way to send him since King Jesus had already given the instructions to come there in the first place. This demon noted what was happening due to seeing two others given the same detail. The demon was told to go to a location in the dwelling as the Great King willed. He didn't go without a fight, and his way was vicious against me, showing his real motive to look to destroy me when he got a chance at a different time in the real world.

Demons will move to hurt you in a way that would cause you to move in a will against the Great King Jesus. Do not give in to the deception of the enemy. Stay in the plan of the Great King. Don't look to do the work with you as the leader. Yield to the Great Holy Spirit.

Other demons came. I will note a demon who tried to get me to speak against the authority of the Great King Jesus. I waited for a good amount of time for the Great Holy Spirit's leading as the demon stood, waiting. There was nothing to say if the Great Holy Spirit didn't give me His plan to drink, so I just waited for the will from the Great Teacher. The Great Holy Spirit proceeded to tell this demon to go where King Jesus would send it.

The demon's reply was indeed of great deception: The demon told me to send him to another place, any place but where King Jesus ordered. This demon wanted me to speak an order I had no authority to give. **I would be operating in rebellion if I said a plan against the Great King's order.** This action against Yahweh's order would cause

me to sin against Yahweh's purpose. When we rebel, we break out of Kingdom authority. The demon could have caused me to disobey a direct instruction from the Great King.

In this detail, the Great Holy Spirit showed me that no will can ever move in a place of greater authority than what the Great King Jesus would will. Only King Jesus could re-plan or re-will the will He would bring. If King Jesus doesn't speak a new will, His current plan is in effect until otherwise noted. Most people don't think that Yahweh could bring a new will, where He moves to rewrite a previous plan, but Yahweh is the Ultimate Authority and is able to shift, re-will, rewrite, and adjust for His purpose to manifest on Earth.

Make sure you have no plan to move against the Great King. Make sure you do not do the will of a demon. Get your firm instructions from the Great Holy Spirit and follow the will He would bring. See how critical it is to know the Great King Jesus' will before administering deliverance sessions? Waiting on the Great Holy Spirit's wisdom is very important because demons want you to proceed with no authority, using assumption as your way, being led by your flesh.

Now, this was not the last demon. One demon made an impression due to its nature being very different than the others. This demon had a luring way, where he would move to draw people in with his web of deception through a unity not sanctioned by the Great King Jesus. Here is where people would join or connect to a person or group not in sync with the nature of the Great King Jesus.

This dangerous form of false peace is where one would move to make peace by dishonoring the Great King Jesus and partnering or joining in covenant with those who move in demon-influenced details. Do not join outlets under Satan's nature where there is an unholy way of making peace by joining sinful, demon-based gatherings, people, places, and religious actions that would bring the anger of the Great King Jesus.

As I sat there, the Great Holy Spirit emphasized that I must seek His leading before joining any group, people, meeting, gathering place, or other such details. If I joined with those against Yahweh, I would attach in spiritual ways and take on the demon's nature (or be greatly influenced by the leading governing influence) covering that group.

Spiritual warfare is real. The plan against you from the enemy is real. Don't think that if you ignore the demons, they will not harm you by getting you to move in a will against the Great King Jesus. There is great freedom in learning to embrace the Great King's plan for Kingdom living. Seek the Great Holy Spirit to know His will for you to drink to truly walk in a plan where you move in Kingdom living, even this day. This note is all to speak. Until the next lesson, stay close to the Great King Jesus.

A CAT FIGURE

Cave Training, Kodiak, Alaska

STAGE ONE / ENTRY FOUR

Today was a different day of training. My training is building each day. The training lesson spiritually prepares me to see various spirit dealings. Today, other demons showed up—new demons. There is a new way to spiritually see the details with my spirit and take in the demon's nature.

The first demon that stood in the entryway sounded terrifying. I couldn't see the demon with my spirit. I could only hear its voice. I would assume it was of great rank in the spirit as the others, but I had no way to drink this if the Great Holy Spirit did not reveal it to me. The only way to know the real way was to drink from the Great Holy Spirit. I waited for Yahweh to reveal His will to me concerning this detail. It was like there were blindfolds on every level, and I could not pick up a plan. But Yahweh began to reveal details concerning this demon.

As I stood there, I was able to spiritually see the demon. I learned that there are two different ways to spiritually "see." One way to see angels and demons is within my spirit, as with a vision or dream. I could see the demon with my spiritual seeing, as revealed with the Great Holy Spirit's help. The other is a plan that would enable me to see the spirit realm while awake, where Yahweh has the spirit materialize, appearing as a natural element.

This way of materialization is similar to when Yahweh visited Abraham (see Genesis 18:1-15). But will seeing a spirit materialize make a difference in how you deal with them? More details will be revealed to gauge a demon's movement and the angels who protect me each day. So, this way of seeing with spiritual vision would greatly benefit the general, given a plan to lead a great war.

As I learned of the demon's nature, its shape became apparent. The demon moved like a cat figure as small as a household pet yet spoke as if it were a dragon. What a great deception, getting people to move in fear, thinking they are under a vicious moving to attack them. This demon receives orders to push people to deeper demon influence, such as fear and other panic movements. This kitty-cat-sized demon would harass them—to bring them to a place where they would move in fear and open an entryway for demon influences to have a ruling way within you.

You must be aware of the different ways to move to embrace a plan presented by a demon. I was instructed to give the demon the order from the Great Holy Spirit to go where King Jesus would send it. It spoke with retaliation. It despised being sent there this way, yet it had to obey. It submitted to the authority given to this servant and a plan that would make it submit to the name of King Jesus. That is where the authority is given for me to release into the demon's way.

PRIDE

But there were others to come and bring their plan, hoping to move against me in a way to destroy me. There was a demon that would make you think twice about taking in pride or self-exaltation. While waiting for the next demon, a colossal creature stood in the doorway entrance. It could not come any closer. I looked at the sheer moving of size in a spiritual vision and was drinking in the will of the Great Holy Spirit before speaking an instruction for it to take to move in.

This demon just stood there. The Great Holy Spirit gave me the demon's name, but the name was unexpected. This demon, named *Pride*, maintained the will to bring any form of will or exaltation in spiritual dealings against the moving and will of the Great King Jesus. The demon, named *Pride*, was the root influence that would bring a person to move in various actions against the Great King Jesus.

There stood the demon who moved in the nature of pride. This demon infiltrated churches, businesses, establishments, and governments—all so the person's will would lead in their way, yet this demon could move in other ways. And the Great Holy Spirit revealed that this root of pride is the opposite of the root of faith needed to please the Great King Jesus.

This demon would easily influence people's lives where there is a praise in effect to place that person in the plan where they are viewed as a lowercase god, whether in their eyes or in the eyes of a person who would move to admire them in a way displeasing to the Great King Jesus. People place celebrities on pedestals and pride themselves in knowing them, putting that influencer above Yahweh, feeding pride by association.

The Great Holy Spirit strongly warned me against this demon. Many will view this servant in a displeasing way to the Great King, where they would raise me to an unacceptable position. I cannot have any praise directed at me, nor do I want it. All must know there is only one God, and His name is Yahweh / I AM. Move only to serve the Godhead, not a human who is just a vessel for Yahweh to move through. Never forget this, for many have fallen due to walking in the nature that comes from this demon.

I waited and drank the will of the Great Holy Spirit. After the Great Holy Spirit gave His instructions to drink, I waited to know more about the details in the will regarding the demon's plan. The Great Holy Spirit gave me the instructions to carry out, and I did the Great King's plan. This demon shifted in shape to a puny demon; I noted the difference. The Lord told me to view this demon based on his appearance at the shift. I had to see that no other plan was more significant than what Yahweh gave. The angels took the demon away to a place in the dwelling where King Jesus willed.

SPIRIT OF CONFUSION

There was a demon that brought major distractions during most of the training this evening. My thoughts were greatly affected, and I struggled to focus and drink from the Great King Jesus. I noticed my thoughts were cloudy as we were dealing with another demon. The Great Holy Spirit brought the demon into view to reveal its nature as a *spirit of confusion*. This demon moved to bring a mental fog over a person's judgment to move them not to complete a duty given to drink from the Great King Jesus.

The demon was very annoying. The *spirit of confusion* was able to interfere, yet it would not be able to stop me from proceeding. The Great Holy Spirit told me to be aware of the demon of confusion: It will try to move against me in different meetings to keep me from doing the will to drink at that moment from the Great King Jesus.

I used a different approach in dealing with this demon. At the leading of the Great Holy Spirit, it was noted that I said that the demon did not have the authority to move into the territory to interfere with my mind and that I was the temple of the Lord Most High, where my body belonged to the Great King. Yahweh put the demon in its place, where he would be in a submitted stance and could no longer move to cause confusion in any way, shape, or form. Then, the demon was told to go where the Great King Jesus would will for the demon to go.

DECAYING DEMON

Another demon to approach was very different. This demon moved to have flies swarming around it and was as dead flesh. This demon would move into a person's way to bring various stages of death into the body through outlets such as natural diseases and decay. The demon was displaying a dying state as its nature.

This training notes the nature of the demon, how it brings a way of death within and uses disease to complete this placing that would bring the person to the final state, referring to death, in the natural. The person who would take on influences from this demon would experience various stages of dying of their tissues or the way to enter the death phase. This way of demon influence is not for all terminally ill patients going through their last days in this earthly way of living.

After the demons were dealt with, Yahweh gave me a new teaching. He began to teach me about feeling the air for the angels in the room. There were angels with me, but I struggled to feel them with my hands as I moved through the place because this training was a new tool. The Great Holy Spirit assured me that I would learn this critical skill to walk throughout the room and feel the angels and demons moving in the way.

Feeling the air would be a handy tool to master, just as learning to hear the voice of the Great Holy Spirit. As each day moves along, Yahweh brings even deeper ways to drink. Until next time, I pray that you drink from the wisdom and strength given to you through the Great King Jesus.

EVIL WITHIN THE VINEYARD

Cave Training, Kodiak, Alaska

STAGE ONE / ENTRY FIVE

How do I keep loving others when they display Satan's nature?

The answer is straightforward: Turn and drink Yahweh's plan. Turn to Yahweh and ask Him how to behave in that moment. Implementing the action in a manner pleasing to Yahweh requires faith and trusting Yahweh to handle plans that must come forward into natural ways of engagement. Today was a different way of learning about the unseen. My vision has shifted, where I see the significant impact that words would have on a person. The Great Holy Spirit revealed a powerful detail: Your words will produce death or life, but not in a creative way. I knew of this Scripture, yet I did not fully understand.

The time in this evening's training began with the Great Holy Spirit allowing me to drink His wisdom so there would be a way to embrace what He would reveal. I had a vision in my spirit that enabled me to see the plan moving against me. The house walls where I was sleeping that day had what seemed to look like vines from a vineyard, and they were spiritually in the walls themselves. Remember, this is a spiritual view in spirit engagement.

These were not typical vines or any natural material but spiritual vines, producing evil fruit against me. The spiritual vineyard was growing in the walls of my natural dwelling. The vineyard was living a plan that would kill me if it wasn't for the blood of King Jesus yielding a seal in the room in the spirit realm. The blood of King Jesus kept the vineyard of evil from pushing through to get to me.

What was the detail in the vineyard? It was all evil words spoken against me by people who moved to speak against the way of the Great King Jesus. These were words spoken that produced evil results in a vineyard that made its way into the home where we were

meeting in this detail to teach me how a person's words have a strong surging of life or death in their moving. The blood of King Jesus is a great shield; it is all I need to put up a force of protection against the demonic spirits moving against me.

There would be many who would not drink the insight given to me by the Great King Jesus due to not thinking that words could have so much power to produce an effect such as death. We cannot create life or death or speak words to bring anything into existence, for humans are not given "God traits" that create.

How could words push this, where they are spoken to bring an action plan in the natural? Demonic influences will push that plan for humans that crave to bring others harmful surgings. Eternal life is freely given to those who drink it through the Great King Jesus, for He is Life. How much time is spent speaking words of death, hate, and gossip against people, whether we know them or not?

Now, the Great Holy Spirit also showed me what would take place in the unseen when words that bring death are spoken: People were deeply wounded or killed due to words formed into actions carried forward by demons. I saw spiritual knives going into people. Spiritual darts and arrows were going into people. People can also get wounded due to battle attacks from those on the same team.

At the same time, in the vision, I saw people in the church pews labeled with the word "gossip." The people gossiped against their church leaders. Bad fruit from the vineyard wrapped around church pastors or leaders due to many speaking rumors, hate, and gossip against their leadership. Verbal abuse suffocates ministers due to words spoken against them. These words of abuse hinder freedom.

As mentioned, speaking death or life does not relate to a human having a Creator nature. Only Yahweh can create. These sayings refer to principles under Yahweh's spiritual Kingdom order. Speaking certain words relates to the building up or tearing down of a

person. Then, based on how you work with a spirit being, various influences would cause different ways of pain within others or encourage a person in the faith.

But what is the plan to move to stop this way of death? How do you walk in freedom from this way of demon influence? Surely, you do not think that a demon would not play a role, for their nature would be to speak a will to take a person away from the life-giving detail that stems from Yahweh. Spirits will move to influence you to say words of hate and gossip into the atmosphere to bring outlets of damage.

Truly walking in actions to bring life would first take walking in the Spirit. Life can only come from the Great King Jesus. His Word is a living, moving detail that is a way to protect against the enemy. When you speak, you can counteract the words of death with pure words of life from the Word of the Great King. Know this and drink His will to give to others, enabling them to walk in freedom through Christ's words. Counteract hateful words and exchange them with the Words of the Great King. Speak Yahweh's Word and build up your brother or sister in the faith.

You will drink in whatever way you move to place your guard down. I saw where people would take off their spiritual armor for various reasons. Some would fall asleep, no longer looking to keep safe from the devil's scheme. But when you spiritually fall asleep and take your focus off the Great King Jesus, an attack could bring a word against you, aiming to destroy you or bring distraction. Don't let your armor sit on the floor. Put the armor of God on each day. With Yahweh's armor, you can stay protected from the enemy's blows when he moves to do his evil way.

Truly see the importance of speaking those details that bring healing power from the Great King. Let's go deeper into the next lesson. Stay close to the Great King and His will for your soul, mind, and all parts within. Until next time.

CATERPILLAR-LOOKING DEMON

Cave Training, Kodiak, Alaska

STAGE ONE / ENTRY SIX

Today's lesson was a continuation of learning to feel the air for angels. It is still a struggle. The Great Holy Spirit continues to speak reassurance that I will use this tool to help in the plan that is about to unfold. The air felt familiar as any, where nothing was visible to me, nor could I have any sense to notice any moving from the unseen way.

I long to move in this tool, just as the others the Great Holy Spirit has placed within me. Time will give me moments to practice this skill so that it will be second nature. There is so much to learn in moving in the supernatural. The Great Holy Spirit is teaching me a great deal in each detail. After practicing this tool, a greatly-sized demon was revealed. Most would think a demon would look like a creature in a horror event and would not consider that these spirits could take up shapes as creatures on Earth.

A vision was revealed to my spirit that showed this demon in the form of a bug. The demon bug resembled a caterpillar the size of a large commercial vehicle. It looked unreal to be a bug that moved as a demon in nature. The purpose of this demon was to destroy the crop in the plan for a great harvest. These caterpillar demons would eat at the leaves and bring destruction due to a lack of maintenance for the field.

The plants needed a good shower to wash off the dirt and the bugs, which were aimed to destroy what was growing. Something needed to be done to keep the bugs from destroying what would bring in a great harvest of souls for King Jesus. There needed to be a great move of the Great Holy Spirit, where His rain was given. It would take the rain of the Great Holy Spirit to move to cleanse the people and remove the bugs that have eaten the good to embrace.

There must be people who will drink this great transforming power and fire from the Great King. The people will also need the Great Holy Spirit to bring a release into the people. The Great Holy Spirit is the source of power, fire, and the cleansing rain. The Great Holy Spirit's power will bring transformation within the person who is rained on.

Working with the Great Holy Spirit is a plan in this season, known as Rain That Heals, to bring this great transforming power, fire, and healing in the whole person—body, soul, and spirit. Fire will come, but so will rain. This rain is all-consuming to the point where those who come in contact with it will have to drink it or resist the movement of God in this major plan.

This rain can move against demon influences. It will wash against dirt and those details that would keep you dwelling in hurt, pain, sickness, and demon influences. The rain's effects will bring a move to restore the withered crop due to harsh conditions. The rain will bring peace through the Great King Jesus. The rain will bring joy. The rain will bring Kingdom living that is only possible through the Great Holy Spirit. Kingdom expansion will lead when there is a strong surging of the Kingdom rain from the Great Holy Spirit.

We cannot do the work to please the Great God Yahweh if we move in human striving. We want the rain to prepare the ground as well as maintain it. The fire of God will purify. The fire and the rain are both natures within the Great Holy Spirit. Yahweh's rain will move to keep the bugs from eating the great harvest about to be reaped. Now, once the people drink, they will need continual drinking. This continual drinking will bring a way to continue to give the rain and great transforming power and fire based on the leading of the Great King Jesus.

Drink it and be filled with fire and water from the Great Holy Spirit. Take a spiritual rain shower in the presence of the Great King. Let Him bring renewal, restoration, and redemption. The Great Holy Spirit is moving to do the work given to this servant of the Lord Most High. Together, we will do the will of the Great King Jesus so that all will know

that there is One True God, and His name is King Jesus. That is all to drink this day. Look to the Great King and expect great spiritual showers from the Great Holy Spirit.

DOUBT AND FEAR

Cave Training, Kodiak, Alaska

STAGE TWO / ENTRY THREE

Yesterday's training was the most profound demon interaction I have been given in the training this season. The demons carrying the natures of doubt and fear were strong in the first phase of the day. My thoughts were against Yahweh's will, and I was sure to break due to this battle against me. Demons may not be heard or seen, yet they will move to influence you in how you commune with Yahweh. I've craved to drink the will of the Great King, where Yahweh Great Holy Spirit would have a strong person under His covering.

In my daily living, I chose to serve the Great King Jesus in all details, yet under this influence of battle ways of seeing and hearing, the worst-case scenarios came forward, and I began to break. I called out to the Great Holy Spirit to reveal what I was spiritually drinking from these outside training ways. One moment, I was able to stand firm in Yahweh's plan. Then, the next, there was a great division within due to various questions that I couldn't answer in the way given by the Great Holy Spirit. I started to doubt Yahweh because I didn't have all the answers. Yahweh did not make His plan fully clear, and so I doubted.

There were many demons throughout the day compared to previous demon interactions. Later, while working at my desk, my thoughts would dwell on different details. My ways of thinking shifted from sexual overtones to doubt and previous painful details. These ways of thinking were intensely moving to bring me deep interaction with the demons at the exact moment. My body, my will within, was screaming for relief. I couldn't figure out the motive for the level of demon interaction.

When there was such a tremendous spiritual weight against me, I could only have the strength to speak and call out to the Great Holy Spirit to help me. I didn't know what to pray. I didn't know which demonic spirit came against me, yet as soon as I called out to the Great Holy Spirit to deliver me, He made His presence tangible, where I could deeply drink Him to receive strength within.

There was a moment when Yahweh enabled me to see many demons around me in the spirit realm, moving to influence me. This observation was what I was taking from the demon interaction: It was a deep engagement to test me to see if this servant was ready for the next stage, which is to see and engage the spirit realm as if it materialized. I would drink this new way by the leading of the Great Holy Spirit.

Wouldn't it be better to know the Great Holy Spirit's will in each detail so you would move in victorious ways against a demon that would move against you? No believer is exempt from demon influence. You must know what the Great Holy Spirit would have you do in each detail. He can see both the natural and the unseen ways at all times. You will endure as you renounce the old ways of sin that would bring the enemy areas to use against you.

How will you know when the devil will move to do his will to hurt you or those you love? The plan is given as you seek Yahweh and have Him guide you. Stay close to the Great King Jesus. Drink Yahweh's way to live. Stand close to the Great Holy Spirit in communion. Yahweh is with you even at this moment.

STAGE THREE INTRODUCTION

PURE EVIL

YAHWEH SAYS,

Let's talk about a demon named Pure Evil. Yes, that is the proper way to write it, for that is the demon's name. You were just reading about the demon in Stage One. I warned you concerning the demon—that if you were to see it in its fullest way, your system would drink a deep shock that might cause you to have very strong nightmares. You must deal with seeing this demon in its full way. The ten demons you will deal with are here in this dwelling that you are in at this moment. They will relocate to any location that the Great Way wills till you are done with Stage Three, dealing with demons. The nightmare comes with seeing, touching, and smelling. You will fully engage.

NEW AGE

YAHWEH SAYS,

You heard laughter from the storage space where the demons are being kept for a short season. There are great levels of work to drink here in the third stage of demon influences and interaction. You have been waiting for a long while to take on this third stage, which is the final stage of this major training way. You have a unique work in your Great King. You should not think of any other work as being more important than getting this full way presented.

You move in knowing of one demon that will be in this major training that will take a full year to complete. This is so major that it has to be spread over twelve months. Another demon that you shall deal with is New Age. He is one of Satan's greatest demons. New Age rules major territories. He can quote Scripture well, and he has given many Christians

deceptive ways of viewing other work that is spiritually based. It can be said this way, for many Christians do not have a way to believe in what is known in Scripture as speaking in unknown tongues. There are churches that would ban that practice out of fear, to know what would take way might give others false details if they venture out on their own.

And so, some churches place a full ban on anything moving that they cannot explain. "New Age" would be the grouping that any new spiritual moving would be placed under. What every Christian must do is truly drink the Great Way's will. Ask Him what the power way would be. It is given to deal with the demon known as New Age. You will learn a great deal as your spirit drinks in the detail of seeing, hearing, and touch. Those demons will not have a way to move out from wherever you sleep. Be fully prepared to endure a major year.

DEMON BITES

Virginia & Texas

December 6, 2016

ANGELS IN THE LORD'S SERVICE SAY:

Tell it accurately, Susanna, how God gave you this major way of being tormented by demons.

SUSANNA SAYS:

One day, my husband and I were traveling for work, and we stayed in a hotel in a place that we have visited multiple times. One night, after sleeping, I had a scratching episode with my back before getting up. On my back, on both sides, there was a large pimple that came out of nowhere. My first thought was that I was sleeping in a bed that had bedbugs. I was so mad at the hotel, but there were no bugs at all—no bugs, no spiders, or ants.

I was puzzled because these were bites on my lower back that were in line with each other. I thought, *"How weird that a bug would bite me on one side and match it up on the other side."* The thought crossed my mind that a spiritual snake did it, but I did not pay attention to that thought. I started pondering what could have happened. The bite marks looked like a large, infested area with a large pimple in the middle.

The sores hurt and were red, and it looked like poison was spreading. The bite marks grew over a few days and then left a scar only. The bite marks were unusually big as if a little bug wouldn't have done that. I couldn't figure out what they were or what caused them. I was nervous and thought I needed to go to the doctor just in case I was bitten by something poisonous. That's how bad they looked.

Then something happened in another city, north of that location, in a more extravagant hotel. While by the kitchen counter in the hotel room, I felt a sharp pointy pain in my arm. I yelled out from that pain and rubbed the spot. I then looked down at my arm and saw a circle start to appear right then. I was startled. Then I started to look for a bug or a spider hanging from the ceiling. I asked Yahweh what was going on and what caused me to have these large “pimples,” and He told me that I would not want to know.

I was still in that same room, and it happened again. I now had two large wounds on my arm, and I could not hide them. They were painful and growing. This was not the same hotel; so, I could not blame bed bugs when nothing was happening to my husband; only I was getting the large pimple bites. I was starting to have thoughts of what Yahweh told me some time ago in the past.

I started to ask Yahweh questions and wanted to know more. He told me that what did it was ugly and that it was good that I could not see it. I was still trying to comprehend what He was saying. I have heard Him tell me that I would have demons biting me, but I did not believe that I would not see that demon do it. As clear as if a human is telling me something, I heard Yahweh say that it was a demon biting me. Yahweh was giving me a certain training to deal with demons, but I did not know if it was because I was holding anger against my husband for how much we were not getting along.

I wasn't sure if I entered another territory that I wasn't supposed to be in, which would also bring on an attack. There were many unanswered questions. When He told me, it made me pay attention to the reality of being hurt, physically, by a spirit. Demons have raped me, so I knew that this was not impossible, what Yahweh was saying. Then Yahweh asked me if He should have it done again; so, I told Him that they hurt. He had me take pictures of the bite marks, and we are going to write a teaching together to help others dealing with painful torment from demons.

More bites appeared this morning, but I no longer feel the initial sting from the head going into my body. I hope this will be over soon, but I am not sure since God still wants me to deal with demons as if they are human flesh. Here are some photos of demon bites that I have received from various sessions of torment:

PHOTO 1

Here is a photo of a snake bite from a spiritual snake. The spiritual snake bite left physical marks. The spiritual snake bit me sideways. See the two red circle marks—one towards the front and one close to my back.

PHOTO 2

Here is another photo of a spiritual attack that comes out as a natural bite mark from an incident in a training session. I have taken on various forms of demons, biting me all over my body. This particular form of torment causes great pain. It starts off looking like a pimple; then, it spreads out from the point of origin.

The sores are very red and feel like a deep sunburn. The burning sensation and the painful aching from the bite cause excessive itching. This is a supernatural act, yet it produces a painful natural experience, keeping the victim in anguish until the point of origin becomes a scab and forms a crust over the skin.

DOORWAYS

When doorways are opened that should not be, these doorways can bring on spiritual attacks that cannot be reasoned away with natural occurrences. We must see that spiritual beings can affect natural details, and a great deal of our pain can take root from a spiritual base. Demons can come and torment from any painful action not dealt with.

Yahweh says that walking into another territory without permission while having doorways opened from painful experiences from any part of your life will be all that is needed to bring on this painful torment. Make things holy and pure under God Yahweh's will. Let go of your hurts and pain in prayer and with reconciliation. Get the past issues resolved by King Jesus' grace. Forgive those who hurt you so that Satan will not gain leeway over your body, soul, or spirit. Amen.

The Steps of Healing from a Demon Bite

Photo 1

This is a bite from a spiritual demon snake.

This is the first stage after being bitten.

Sometimes the mark will scab over or burst like a pimple.

Photo 2

It starts off small and then grows out like a rash.
The mark spreads like poison. It is red, painful, and swollen.
There's throbbing pain, even without physical contact.

Photo 3

The arrow points to the origin mark.

Now the poison spreads out under the skin.

Photo 4

A bite mark fully healed. Now a scar remains.
It has been months since this final spiritual assault.

Part Two

YAHWEH IS SPIRIT

WHAT IS GOD REALLY LIKE?

SUSANNA OPENS THE DISCUSSION:

Which “god” are we referring to? I worship Yahweh, also known as I AM, from Exodus chapter 3. My reasoning for coming to you today is to build up your faith and to encourage you. When you know that there is a God out there who may or may not look or resemble what you hope, it shapes your perspective a little bit better.

I talk a lot about demons, Satan, and spiritual warfare, mainly because my training gave me those outlets so I can be aware of the enemy’s plan. Yahweh gives training to prepare us for what is ahead, and based on what requirement is needed, He will ensure you are ready ahead of time. He does not give you more than you can bear according to His written word.

No temptation has overtaken you that is not common to man. God is faithful, and He will not let you be tempted beyond your ability, but with the temptation He will also provide the way of escape, that you may be able to endure it.

—1 Corinthians 10:13 ESV

But that refers to temptation, for God will provide a way of escape. But what about knowing Yahweh, His nature, and how Yahweh engages the general public? Is Yahweh distant? Does He care when problems come?

We are not guaranteed wealth, health, or happiness. We are told to endure to the end (Matthew 24:13). We are told that we are more than conquerors in Christ (Romans 8:37-39). We are told we will be persecuted for our faith for even associating with Christ King Jesus (2 Corinthians 4:7-12, Matthew 10:22, John 15:19–20).

The world will persecute you, including those you may know—all for standing with King Jesus. Persecution is a part of the Christian walk and should be expected. But what about knowing God? What is He really like?

If you look in the Gospels (the first four books of the New Testament), you will gain an understanding of how Yahweh King Jesus walked the earth and how He carried out a three-year preparation phase and ministry for twelve disciples, preaching repentance and how the Kingdom is at hand. You will learn how the disciples worshipped Yahweh King Jesus, and King Jesus did not refuse that worship. They called Him the Son of God (Matthew 14:22-33, Matthew 16:13-20, John 20:24-29).

Pay careful attention to yourselves and to all the flock, in which the Holy Spirit has made you overseers, to care for the church of God, which He obtained with His own blood.

—Acts 20:28 ESV

Now, some would say, “That is not how it really looks because Jesus was born. How could He be God?” If you review the Hypostatic Union, there would be clarity as to how this is possible: King Jesus being both God and man, carrying two natures.

Here is how the “Got Questions” website breaks it down, and this is an accurate representation:

“Jesus’ two natures, human and divine, are inseparable. Jesus will forever be the God-man, fully God and fully human, two distinct natures in one Person. Jesus’ humanity and divinity are not mixed, but are united without loss of separate identity. Jesus sometimes operated with the limitations of humanity (John 4:6, 19:28) and other times in the power of His deity (John 11:43; Matthew 14:18-21). In both, Jesus’ actions were from His one Person. Jesus had two natures, but only one personality.”

SUSANNA CONTINUES:

Now, to many people, King Jesus comes over as a loving God who accepts all sin and lets “love” take over, allowing people to do whatever they **feel** is the right way. Here is the problem with that: at the end of all things being settled, it is this very same God King Jesus, who will judge all, open the seals mentioned in Revelation, and come back and slay His enemies (2 Corinthians 5:10, Revelation 20:11-15, Revelation 5:1-14).

You may wonder, “Wow, how can there only be this fake kind of human love that social media, churches, and influencers have presented?” Maybe those in those groupings are afraid to speak up and say the entire news. One portion says God is only love, but only looking at the love side of Yahweh would lead you to think that He tolerates sinful living, which is not so.

Now, go back and look at how King Jesus is God. God always existed. Jesus referred to Himself as I AM in John 8:58, saying He placed Himself on the same level as the God mentioned in Exodus 3:13-15. Pay close attention. This same God existed in the days of Moses. This same God created all that is seen (Colossians 1:15-20). This same God is returning, and one day, He will place everything in order (Revelation 1:7, 1 Corinthians 15:24-28). King Jesus is more than a man. King Jesus always existed but as Yahweh (I AM). Yahweh carries that same anger that people hate to read about in the Old Testament from what they call a mean God (Leviticus 10:1-3).

What happens now? Why are you not being slain instantly for your irreverent actions? Why can you go around sinning heavily against Yahweh, blaspheming His name without

being instantly dealt with? Grace. What if grace is removed? We would all deal with the potent holiness of Yahweh.

What happens in today's church gatherings? They are not dealing with the potent surging from Yahweh, for if they did, there would be many dead found lying in the churches, for sin is rampant, but due to the grace factor, there is no true gauge of Yahweh's anger. The same God you hate to read about from days of old carries the same traits, the same nature, presence, and beautiful glory. He lets you speak your ill will and judgments against how He governs. He lets you live, gives you air to breathe, while in all this time, records everything you do.

He sees how you decree and declare and call yourself a god, but He will judge you for making yourself as a god, for you cannot create anything. Just as Satan fell for wanting to be like Yahweh, so will you, for there is only one True God. Yes, God is love. But God is also holy and righteous and must be revered. If you say you serve Yahweh, you must see that He wants to give you an enduring way to live in a fallen world and the strength to endure to the end.

Please stop telling Yahweh what you want in a commanding way. **Learn to pray** (Matthew 6:5-14 ESV). Petition Yahweh. Call out to Him in your time of need (Proverbs 3:5-6). Yahweh is not your genie, bringing your will forward. He hears you. And you say, "If God is real and really does care, why does He allow so much painful living to take way? If God loves me, doesn't He see that I am in pain? And if He is watching me in pain, how can He be so evil to sit there and do nothing about it?"

(14) Since then we have a great high priest who has passed through the heavens, Jesus, the Son of God, let us hold fast our confession. (15) For we do not have a high priest who is unable to sympathize with our weaknesses, but one who in every respect has been tempted as we are, yet without

sin. (16) Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need.

—Hebrews 4:14-16 ESV

YAHWEH IS SPEAKING:

I want to speak now, servant. People do not know how to deal with painful ways from the nature of seeing it My way. They look at death as the ending when within My view, one in Christ comes home (2 Corinthians 5:6-8). Death to a true Kingdom citizen brings full healing. I reveal love differently than humans would. If I love My Son, would I allow Him to be killed? I knew there needed to be a Perfect Sacrifice for sinful living, a pure way to bring reconciliation between God and man. And I knew that King Jesus would rise from the dead. I already knew how the whole story would go.

It's not that I don't have power to overrule all actions on Earth, stop evil ones, or prevent bad things from happening. What if I told you that I see the ending and can look into eternity? What if I told you that I know of those who will take in My free salvation plan? People think that just because I already know would inherently remove free will. But what if there are both? What if both opposing church sides have partially correct answers? What if I do turn the heart of a human king any way I would will?

What if I also say to call upon the name of the Lord, and you will be saved? What if I say to go and share the Gospel? What's the point of that? Because they have to hear it. The Gospel must come. Look at how King Jesus preached. Was it just given to one? Weren't seeds pushed out all over? What if I am already building mansions? What if I say that there is a preparation taking place for those who are coming home to be with Me? This natural world will one day be no more. I can reshape human clay. I can rewrite My will. I can bring a new way, and I will!

One day, all tears will be wiped away. But these promises are for My children. All those who say they are Christian will not spend eternity with Me in My presence under this placement. Calling yourself one of Mine is not a guarantee. Your actual spiritual fruit (your way of living) must show that you are. You cannot contradict My nature and follow Satan's way and say that we walk together. You cannot worship Satan and Yahweh. Stand for one or the other.

THE GREAT HOLY SPIRIT IS SPEAKING DIRECTLY:

I reveal the real truth, not what the people say is their way of viewing details. Yahweh has spoken. I am here on the earth and within every true Kingdom citizen, but can I keep you from sinning? No human leads a sinless life, for all sin and all fall short of the glory of God (Romans 3:21-26). Why would Yahweh be within you, a follower of Christ? To lead you and guide you into all truth (John 14:1-31).

KING JESUS SEALS IT:

I will show more of My will in the coming season.

GOOD NEWS MESSAGE

Note: King Jesus, a Member of the Godhead, referenced Himself as I AM in John 8:58.

Jesus is alive. Jesus died and rose again. Jesus is coming back. Jesus is the only way to Heaven. Jesus saves. Jesus is able to do everything, as mentioned in Luke 4. Jesus is King, and He has a Kingdom. The only way into this Kingdom is to be born again.

Jesus died on the cross and took every sin upon His body. By His stripes, we are healed. Jesus suffered greatly for us all so we could spend eternity with Him forever. God loved the world so much that He sent His Son, Jesus, to die in our place. God knew that we couldn't pay the price. The price was great, and we could never meet God's standards. That's why Jesus came.

Jesus is the Word made flesh. Jesus became a human being. Jesus walked this earth and experienced every form of pain and rejection upon Himself. He was rejected and despised. No one wanted to look upon Him, yet He did a great thing for us: He reconciled us to the Father.

Because of what Jesus did, we no longer have to be separated from God. Jesus died so we could have fellowship with the Father. Jesus died so that we could have life. Through Jesus, we have eternal life. Through Jesus, we have forgiveness of sin. Those who believe in Jesus will never really die because Jesus is the One who gives life. Jesus gives life to all who believe in Him. And that eternal life begins the moment you receive Him into your heart.

You don't have to do good works or deeds to get into Heaven. All you have to do is believe in Jesus. Call upon His name. Ask Him to save you. Ask Him to deliver you. He is here. His Spirit is here to help you. Call upon the name of the Lord. Call upon Jesus, and you will be saved.

If you confess with your mouth that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. You will have eternal life. You will become a child of God, a citizen in God's Kingdom. God's Kingdom is eternal. God's Kingdom is here now and is available to all who receive Jesus as Lord and Savior. Jesus is the only way to Heaven. There is no other name under Heaven by which we can be saved.

One day, Jesus will return. He is coming back again. And one day, He will rule and reign from this earth. This message is not to scare you, dear one. This message is to let you know that time is short, and Christ's return is soon. Jesus will return again. I say "again" because He came once as a baby, but when He comes the second time, He will come as Conquering King.

Now is the time to be ready, dear friend. Now is the time to listen. Now is the time. Don't harden your heart. Don't rebel against God. Today is the day of salvation. Take a moment right now and yield yourself to the Lord. Give Him your life. Surrender yourself to Him. He is here for you today. Allow Him to do the deep work of healing—healing your heart and cleansing you from all sin. He is able. He is here. Let's pray together:

Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.

Dear brothers and sisters, now that you have prayed this prayer and received Jesus into your heart, by faith, you are a new creation in Christ. You are no longer the same. You are no longer that person you were a few minutes ago. Jesus is now in your heart. What's

wonderful is that His Spirit is with you. Yes, the Holy Spirit is with you. He will lead and guide you, showing you the way through His truth that comes from God.

Now, there are a few things that you must do: Regularly read the Word of God. Get a Bible and begin in the Book of John. Read and study the Word of God because that will transform your mind. Another thing: spend time praying to God every day. Learn to listen, as well. This is fellowship. This is how you learn to hear His voice—by spending time with Him. He wants to talk to you, so you must learn to listen too.

Stay away from those things that dishonor Christ. Ask the Holy Spirit to help you find a place where you can learn more about Jesus.

I am so glad we had this time together. I am so glad you gave your life to the Lord. You will never be the same. Grow in the grace and knowledge of our Lord and Savior, Jesus Christ.

WHAT JESUS CAME TO DO

(18) "The Spirit of the LORD *is* upon Me, because He has anointed Me to preach the gospel to *the* poor; He has sent Me to heal the brokenhearted, to proclaim liberty to *the* captives and recovery of sight to *the* blind, to set at liberty those who are oppressed; (19) to proclaim the acceptable year of the LORD."

—Luke 4:18-19 NKJV

From those Scriptures, we learn that Jesus came to:

- preach the Gospel to the poor
- heal the brokenhearted
- proclaim liberty to the captives
- give recovery of sight to the blind
- set at liberty those who are oppressed
- proclaim the acceptable year of the Lord

Let's talk about each point mentioned.

1 – JESUS CAME TO PREACH THE GOSPEL TO THE POOR

- It's concerning becoming an heir of God and a joint heir with Christ.
- It also means to be born again.
- The good news is that you could inherit so much as a child of God, a citizen of God's Kingdom.
- God does not pay by earthly standards; He pays by Kingdom standards. But the only way to benefit from the Kingdom is to become a part of the Kingdom.
- This is true riches: being a part of the Kingdom, being a citizen of God's Kingdom.

- The Kingdom is supernatural, and a lot of what happens in the supernatural manifests in the natural.
- It's the same thing with sowing and reaping: People want to be blessed, yet they disobey God's laws; they are interconnected.
- Physically giving your tithes and offerings keeps you from being cursed.

Malachi 3:8-12 NKJV says,

(8) "Will a man rob God?

Yet you have robbed Me!

But you say,

'In what way have we robbed You?'

In tithes and offerings.

(9) You are cursed with a curse,

For you have robbed Me,

Even this whole nation.

(10) Bring all the tithes into the storehouse,

That there may be food in My house,

And try Me now in this,"

Says the Lord of hosts,

"If I will not open for you the windows of heaven

And pour out for you such blessing

That there will not be room enough to receive it.

(11) "And I will rebuke the devourer for your sakes,

So that he will not destroy the fruit of your ground,

Nor shall the vine fail to bear fruit for you in the field,"

Says the Lord of hosts;

(12) "And all nations will call you blessed,

For you will be a delightful land,"

Says the Lord of hosts.

...

A note from Yahweh after the document came forward.

December 5, 2024

9:16 p.m.

YAHWEH SAYS IT:

There will be a longing for many healing rooms with Yahweh pushing great power, and to maintain these healing rooms, Yahweh will request a separate gift not under the old covenant but a new way. And this gift will be a tithe of your income if you use the healing room. Not for the Church way but for the Kingdom plan of a healing room getting set up is the tithe plan in this document.

...

- God is a covenant God, and He cannot go against His own law. This is how the natural and the supernatural become interconnected.
- It's the same thing when taking communion: You physically put the bread in your mouth and drink the wine, yet if your heart is not right and there's sin in your life, it could lead to sickness, or as mentioned, death.
- The same is the other way: If you stand before Jesus to commune with Him and remember Him through communion with clean hands and a pure heart, you could receive great healing.
- Do you understand how the natural and the supernatural are interconnected like this? This is why faith is shown by works.

James 2:14-20 NLT says,

(14) What good is it, dear brothers and sisters, if you say you have faith but don't show it by your actions? Can that kind of faith save anyone? (15) Suppose you see a brother or sister who has no food or clothing, (16) and you say, "Good-bye and have a good day; stay warm and eat well"—but then you don't give that person any food or clothing. What good does that do? (17) So you see, faith by itself isn't enough. Unless it produces good deeds, it is dead and useless. (18) Now someone may argue, "Some people have faith; others have good deeds." But I say, "How can you show me your faith if you don't have good deeds? I will show you my faith by my good deeds." (19) You say you have faith, for you believe that there is one God. Good for you! Even the demons believe this, and they tremble in terror. (20) How foolish! Can't you see that faith without good deeds is useless?

James 2:26 NLT says,

Just as the body is dead without breath, so also faith is dead without good works.

- This is the same for those who are poor: You must rely on Jesus for healing, for wealth, for full resources, because there are no limits in God's Kingdom.
- God owns everything in His Kingdom, and for the poor to have access to that, they must come into the Kingdom. You must be born again.

2 – JESUS CAME TO HEAL THE BROKENHEARTED

Jesus said in John 16:33 NLT, “I have told you all this so that you may have peace in Me. Here on earth you will have many trials and sorrows. But take heart, because I have overcome the world.”

- Take heart. Jesus overcame the world.
- Those of you who are in Jesus do not have to let your circumstances overwhelm you.
- When the storms of life come, Jesus is the peace that sustains you.
- You don’t have to live in your pains or sorrows because the joy of the Lord is your strength.
- Through Jesus, you can do all things.

Concerning Jesus, Isaiah 53:5 NLT says,

But He was pierced for our rebellion, crushed for our sins. He was beaten so we could be whole. He was whipped so we could be healed.

- Jesus can bring full healing to body, soul, and spirit.
- You don’t have to experience any type of woundedness continually because God’s power is able to break the cycle.
- God’s power is able to bring healing to the heart from past wounds.
- This is restoration—the healing of the heart that comes from Jesus.

Jesus said in John 7:38 NLT, “Anyone who believes in Me may come and drink! For the Scriptures declare, ‘Rivers of living water will flow from his heart.’”

- Jesus removes the pain of rejection and fills the heart with His love, with His Spirit.
- Jesus is able to fix, mend, restore, and make new.
- This is the new heart that Jesus wants to give to those who come to Him.

- This is where you see Jesus as your First Love, where there is intimacy, where you and Jesus are one.

From a partial reading of Jeremiah 31:3 NIV, the Lord says, "... `I have loved you with an everlasting love; I have drawn you with unfailing kindness.'"

3 – JESUS CAME TO PROCLAIM LIBERTY TO THE CAPTIVES

- Anybody who is in sin is a slave to sin.

From John 8:34-36 NLT:

(34) Jesus replied, "I tell you the truth, everyone who sins is a slave of sin.

(35) A slave is not a permanent member of the family, but a son is part of the family forever. (36) So if the Son sets you free, you are truly free.

- Those who are in bondage to sin are also held captive by the sinful nature, where they walk in the flesh and not in the Spirit. This is where Satan has a grip on you, where you are in various addictions.
- Only the power of Jesus can set you free.
- People can only be free through Jesus, not from doing a ritual. It has to be broken in the spirit realm because that is what is bringing the bondage.
- Those who are not in Christ are already captive to sin, and you cannot be free unless you receive Jesus into your heart as Lord and Savior.
- Only the power of Jesus—the Spirit of Christ—can break off demonic strongholds. It's not possible any other way because only God's Spirit is greater than all other spirits.
- Jesus created all spirits, and at the name of Jesus, all created beings must bow.
- This is where true freedom comes in—through Jesus Christ, by His Spirit.

Romans 8:1-2 NLT says,

- (1) So now there is no condemnation for those who belong to Christ Jesus.
- (2) And because you belong to Him, the power of the life-giving Spirit has freed you from the power of sin that leads to death.

4 – JESUS CAME TO GIVE RECOVERY OF SIGHT TO THE BLIND

- The blind are those who are being led by their souls; they have not been spiritually born again.
- This is where you rely on your own knowledge to understand, and you try to discern spiritual things with the natural mind.
- This is where you try to discern the Word with your natural mind as well. You are not gaining God's thoughts; you do not hear from Jesus; you are not connected.

First Corinthians 2:11-14 NLT says,

(11) No one can know a person's thoughts except that person's own spirit, and no one can know God's thoughts except God's own Spirit. (12) And we have received God's Spirit (not the world's spirit), so we can know the wonderful things God has freely given us. (13) When we tell you these things, we do not use words that come from human wisdom. Instead, we speak words given to us by the Spirit, using the Spirit's words to explain spiritual truths. (14) But people who aren't spiritual can't receive these truths from God's Spirit. It all sounds foolish to them and they can't understand it, for only those who are spiritual can understand what the Spirit means.

In John 15:5 NLT, Jesus said,

“Yes, I am the Vine; you are the branches. Those who remain in Me, and I in them, will produce much fruit. For apart from Me you can do nothing.”

- You are living a lie if you believe you can see, and you are not born again.

From John 9:39 AMP,

Then Jesus said, “I came into this world for judgment [to separate those who believe in Me from those who reject Me—to declare judgment on those who choose to be separated from God], so that the sightless would see, and those who see would become blind.”

- You cannot see anything of eternal value if you are spiritually dead.
- To see, you must be born again.

Jesus said in John 3:3 NLT, “...I tell you the truth, unless you are born again, you cannot see the Kingdom of God.”

5 – JESUS CAME TO SET AT LIBERTY THOSE WHO ARE OPPRESSED

- You are under various curses when you no longer have to be.
- Jesus came to set you free from the yoke of the enemy. His yoke is easy, and His burden is light.
- You live under clouds of despair and hopelessness, but you no longer have to if you come to Jesus.
- You look for peace everywhere else when you can come to Jesus for peace. You look for satisfaction from worldly pleasures, yet you are still miserable. It’s because only Jesus can fill the void.

- God's eternal life is the hope that you need.

Jesus said in John 10:10 NCV, "A thief comes to steal and kill and destroy, but I came to give life—life in all its fullness."

Jesus also said, "I am leaving you with a gift—peace of mind and heart. And the peace I give is a gift the world cannot give. So don't be troubled or afraid" (John 14:27 NLT).

- God's Kingdom operates differently than the world's system.
- You can move in freedom from oppression in God's Kingdom than under the world's system.
- God's Kingdom is not one of bondage and oppression.

Romans 14:17 NLT says, "For the Kingdom of God is not a matter of what we eat or drink, but of living a life of goodness and peace and joy in the Holy Spirit."

- God's Spirit gives life.
- There is liberty in Jesus through His Spirit. And you can experience this freedom that He offers when you believe in Jesus.
- Even when things "come down on you" in the natural realm, you don't have to despair because Jesus is with you. His Spirit will lead you.

6 – JESUS CAME TO PROCLAIM THE ACCEPTABLE YEAR OF THE LORD

- Jesus came so that all may live.

John 3:16-17 NLT says,

(16) "For this is how God loved the world: He gave His one and only Son, so that everyone who believes in Him will not perish but have eternal life.

(17) God sent His Son into the world not to judge the world, but to save the world through Him.”

- Those who believe in Jesus will never really die.
- Those who believe in Jesus will receive eternal life.

Jesus said in John 11:25-26 NASB, “(25) ...I am the resurrection and the life; the one who believes in Me will live, even if he dies, (26) and everyone who lives and believes in Me will never die. Do you believe this?”

- Those who believe in Jesus will be reconciled back to the Father.

Colossians 1:19-20 NLT says, “For God in all His fullness was pleased to live in Christ, and through Him God reconciled everything to Himself. He made peace with everything in Heaven and on Earth by means of Christ’s blood on the cross.”

Jesus said, “(39) You search the Scriptures because you think they give you eternal life. But the Scriptures point to Me! (40) Yet you refuse to come to Me to receive this life” (John 5:39-40 NLT).

- Those who believe in Jesus will be able to see the Kingdom of Heaven.
- Those who believe in Jesus will have everything the Father has offered to those who are His children.
- Eternal life begins now. Eternal life begins now while on Earth for all those who receive Jesus into their hearts as Lord and Savior.
- This is the Good News! Jesus came so that all may have life.
- God’s kind of life is eternal life.
- Those of you who are in Jesus will live forever; you are citizens of Heaven.
- This is the Good News—that salvation is available to all who believe in Jesus, God’s Son.

- Salvation is available now.

Romans 10:9-10 NLT says,

(9) If you openly declare that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. (10) For it is by believing in your heart that you are made right with God, and it is by openly declaring your faith that you are saved.

- The Kingdom of Heaven is available now, and if anyone wants to come into this Kingdom, Jesus is the way you must go. Jesus is the only Way. There are no exceptions.

Jesus said, "... I am the Way, the Truth, and the Life. No one can come to the Father except through Me'" (John 14:6 NLT).

- It was by His blood. His blood made it possible. Without the shedding of blood, there is no remission for sin. But Jesus paid the price.

Hebrews 9:11-14 NCV tells us:

(11) But when Christ came as the high priest of the good things we now have, He entered the greater and more perfect tent. It is not made by humans and does not belong to this world. (12) Christ entered the Most Holy Place only once—and for all time. He did not take with Him the blood of goats and calves. His sacrifice was His own blood, and by it He set us free from sin forever. (13) The blood of goats and bulls and the ashes of a cow are sprinkled on the people who are unclean, and this makes their bodies clean again. (14) How much more is done by the blood of Christ. He offered Himself through the eternal Spirit as a perfect sacrifice to God. His

blood will make our consciences pure from useless acts so we may serve the living God.

- And this is the Good News: The price is paid in full, and eternal life is available to all who receive Jesus.

Romans 3:22-31 NLT says,

(22) We are made right with God by placing our faith in Jesus Christ. And this is true for everyone who believes, no matter who we are. (23) For everyone has sinned; we all fall short of God's glorious standard. (24) Yet God, in His grace, freely makes us right in His sight. He did this through Christ Jesus when He freed us from the penalty for our sins. (25) For God presented Jesus as the sacrifice for sin. People are made right with God when they believe that Jesus sacrificed His life, shedding His blood. This sacrifice shows that God was being fair when He held back and did not punish those who sinned in times past, (26) for He was looking ahead and including them in what He would do in this present time. God did this to demonstrate His righteousness, for He Himself is fair and just, and He makes sinners right in His sight when they believe in Jesus. (27) Can we boast, then, that we have done anything to be accepted by God? No, because our acquittal is not based on obeying the law. It is based on faith. (28) So we are made right with God through faith and not by obeying the law. (29) After all, is God the God of the Jews only? Isn't He also the God of the Gentiles? Of course He is. (30) There is only one God, and He makes people right with Himself only by faith, whether they are Jews or Gentiles. (31) Well then, if we emphasize faith, does this mean that we can forget about the law? Of course not! In fact, only when we have faith do we truly fulfill the law.

I want to give you an opportunity to give your heart to the Lord, to become a child of God, a citizen in God's Kingdom. Take a moment right now and yield yourself to the Lord. Allow Him to do the deep work of healing—healing your heart and cleaning you from all sin. Let's pray together.

Dear Jesus. I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.

Dear brothers and sisters, now that you have prayed this prayer and received Jesus into your heart, by faith, you are now a new creation in Christ. You are no longer the same. You are no longer that person you were a few minutes ago; Jesus is now in your heart. What's wonderful is that His Spirit is with you. Yes, the Holy Spirit is with you. He will lead you and guide you, showing you the way through His truth that comes from God. Please share what you have learned today with others. Tell them of God's Good News—what Jesus came to do, as mentioned in Luke 4:18-19. Grow in the grace and knowledge of our Lord and Savior, Jesus Christ.

AN EXTRA NOTE: TITHES AND OFFERINGS

We are no longer under the Law. But let's take a moment to note how giving an offering or a tithe can be seen to be how a person honored Yahweh. From Abel's offering (ref. Genesis 4:3-4), Jacob's verbal tithe vow (ref. Genesis 28:20-22), even to Abraham through covenants in Yahweh's service (prophet covenant: Genesis 20; friendship covenant: Genesis 18). Also, review Hebrews 7:1-28 to see how Christ is our High Priest.

Throughout Scripture, to honor Yahweh was often manifested through a substance of giving.

(6) Remember this—a farmer who plants only a few seeds will get a small crop. But the one who plants generously will get a generous crop. (7) You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. "For God loves a person who gives cheerfully."

—2 Corinthians 9:6-7 NLT

But in the Church era, only the standing of giving an offering is required. But an individual can give a tithe vow and not be under the Law. **Give how Yahweh says to**, and stay away from attempting to gain wealth, health, and a version of prosperity based on the amount given.

YAHWEH SAYS:

Servant, was Abraham's giving to Melchizedek given in the form of money, or was it a tenth of all, including his spoil? Understanding giving is where the people have confusion. King Jesus is the High Priest. Give ten percent or more of all, including time.

(1) For this Melchizedek, king of Salem, priest of the Most High God, met Abraham as he returned from the slaughter of the kings and blessed him, (2) and Abraham gave him a tenth of all [the spoil]. He is, first of all, by the translation of his name, king of righteousness, and then he is also king of Salem, which means king of peace.

—Hebrews 7:1-2 AMP

YAHWEH CONTINUES:

It's not just about money; it's about communion.

(23) The [former successive line of] priests, on the one hand, existed in greater numbers because they were each prevented by death from continuing [perpetually in office]; (24) but, on the other hand, Jesus holds His priesthood permanently and without change, because He lives on forever. (25) Therefore He is able also to save forever (completely, perfectly, for eternity) those who come to God through Him, since He always lives to intercede and intervene on their behalf [with God].

(26) It was fitting for us to have such a High Priest [perfectly adapted to our needs], holy, blameless, unstained [by sin], separated from sinners and exalted higher than the heavens; (27) who has no day by day need, like those high priests, to offer sacrifices, first of all for his own [personal] sins and then for those of the people, because He [met all the requirements and] did this once for all when He offered up Himself [as a willing sacrifice]. (28) For the Law appoints men as high priests who are weak [frail, sinful, dying men], but the word of the oath [of God], which came after [the institution of] the Law, permanently appoints [as priest] a Son who has been made perfect forever.

—Hebrews 7:23-28 AMP

Part Three

ABOUT SUSANNA

THE FIRST TIME I HEARD YAHWEH

SEERSGATE IS LEADING:

I remember the first time I heard the voice of the Great Holy Spirit. I was a young teenager, attending a church service at a sister church. The church service was going just like any way of services, and I honestly did not think there would be any hearing in spiritual details.

In my teenage years, we would go where a parent made us go and would be there to hold up the church seat, not to hope for supernatural adventures. I craved a real encounter with Yahweh from a young age, but there was nothing new, just the same ways in tradition. And it was in my heart that maybe this is what church is.

While listening to the lady preacher, there was an interruption. It seemed as if someone came and whispered in my ear. But I did not have to tell a person to speak louder over the preacher or her church worship. And there were no humans near, standing over me, saying anything directly to me. So, I just ignored the Person speaking. I did not know what God would sound like, and the Voice wanted me to do a task without proof of the actual plan being real.

“Go over there to the pastor and tell her that I heard her. I will give her the plan that she wants to go forward with.”

I thought, *there is no way I am going over to tell a preacher, who would seem untouchable to a little teenager such as me, that I heard something.*

“Tell her that We can feel her pain and that I will make it all better.”

I heard that request from the invisible Person and took a long look at the seemingly happy preacher. I sat there and thought of how I could not feel her pain. I saw her appearing so happy and filled with praise. This Voice would stay, prodding, needing me to give the message.

But what message would I give from an invisible Person? Can Yahweh see humans in their most transparent way, even with fake smiles and happy pretending? Can Yahweh know the heart of a person?

The Voice would not stop. I ignored what I heard and sat right there.

“I’m still here. We are telling you a real message. Just be obedient.”

The frustration of not getting the Voice to leave was overwhelming. I was arguing with Him, staring at the preacher, seeing that His message contradicted her demeanor.

I walked over to the preacher when there was an opportunity. And I told her:

“I was told to tell you this. God said, He heard your prayers, and He sees your pain. Everything will be okay.”

Suddenly, she started shouting hysterically. The pastor was already a loud, boisterous person; I did not think she could get any louder. I hoped she kept what I said a private way, but, yes, that did not happen. She raised her head after taking an in-depth view of how I stared at her and said, “God, I’ve been waiting. Thank You for giving me the answer!” And then she hugged me and went on with her worship service.

I went back to my seat, puzzled, confused. I wondered how many times Yahweh would actually say anything, and I would ignore Him. Over the thirty years since that first activation detail, I have given others their messages that were not always received. And

I have learned that every young prophet must know God's will and stand with Him. Learn to wait on the way of the Great Holy Spirit. Do not assume He says anything. Take a moment to listen; active hearing. Do this daily.

Prayer is not the part of bowing your head and closing your eyes. Prayer is to meet with Yahweh. This action is prayer, praying without ceasing:

(16) Rejoice always, (17) pray without ceasing, (18) give thanks in all circumstances; for this is the will of God in Christ Jesus for you.

—1 Thessalonians 5:16-18 ESV

But do not be upset if you are not able to hear Yahweh as those in Scripture. I have learned that prophets tend to hear Yahweh's voice a certain way so that the message will go out with accuracy. Not the gift of prophecy I refer to but of office work as a prophet of Yahweh.

But know that you can get clear instructions through the Word of Yahweh!

And this is how I talk with Yahweh in the store, at home, and while running errands. I speak to Yahweh the same way He engaged me those decades ago in a small church in Virginia. And I am still learning to repeat what He says concerning a will and not include my opinion.

Give prayer a try. Start by sharing your thoughts, petitions, and real feelings with King Jesus. Honor Him and give Him authentic worship—transparent communion. Actively engage King Jesus. You may not hear Yahweh the same way others do but know that Yahweh loves you and wants to hear from you.

AUTOMATIC WRITING VERSUS CONVERSATIONS

May 2, 2024

2:08 p.m.

SEERSGATE BEGINS:

I want to help you understand how I engage Yahweh. When I talk with Yahweh, we converse as if sitting beside each other. He is spirit, yet He speaks as if He were sitting in the room with me. Yahweh says words and tells me what to put on paper, and He gives markers (start and end placements) as to when a message begins and ends versus when I write down entries from general conversations.

When I talk with Yahweh, He doesn't control my body or take away my thoughts and processing. I can ask Yahweh questions, and Yahweh will give His thoughts.

Some say they hear from Yahweh when, in actuality, they use a ritual known as Automatic Writing, which involves using demons to gain any spiritual gauging. Automatic writing reveals itself when a person is dictating a plan or writing down words, and a demon spirit is given permission to take over and cause the writer to lose free will, empty their mind, or blank out. This demon spirit can make a person unaware of their surroundings and unable to recall what they hear or write.

Sometimes, when a demon takes over in automatic writing, it can also let the person remain aware of their surroundings, but it takes over the writer's hand, moves it for them, and writes down words on paper. Those who use automatic writing say it feels like a "force" is moving their hand for them.

But Yahweh does not engage me in this manner of taking over my way. Yahweh does not take over the functions of my hand or mind when conversing with Him. I retain the

use of my hand and remain aware of my surroundings, and we converse with active thinking and reasoning. Yahweh speaks to me as if He sits next to me. Yahweh trained me this way since I was a young teenager. Over the years, off and on, He spoke, but later, after entering the training plan for the spiritual cave, Yahweh gave longer talks and engaged in more profound ways of yielding the spirit realm for me to adjust to.

Now in this way of preparation for world-level work, Yahweh speaks to me in the daytime and evening, through visions and dreams, while running errands or conversing with others. Yahweh does not wait for me to play "soaking/worship music" or get in a specific "space of quiet and separation." Yahweh doesn't make me speak louder or close my eyes when relaying His will. Due to the covenant work and the message that He places within me to give, we converse back and forth in this way of active engagement in real-time, having regular conversations.

Yahweh sometimes pauses while He says His will so that I can keep up. Since Yahweh talks anytime, day or night, I have fallen asleep in meetings with Him, and when He wakes me, I apologize, and we continue the conversation where we left off. Yahweh brings forward this way of engagement so that there will be a surging in following through with Yahweh's plan to preach the Kingdom and prepare the world for the return of Christ. This way of engagement continues to help me complete His work through His covenant.

YAHWEH SAYS IT:

Now, let Me speak, servant. We trained a real prophet who will not be able to sit under a local church house, and due to this world-level message, you must stay in a way to hear Me in one-on-one, face-to-face meetings. And it is Yahweh who will bring proof to all Yahweh gives you to say. Yahweh can change a word given and break it down into an easier non-prophet placement so that the general reader will know what Yahweh says.

This way of talking with Yahweh is not normal. You have a calling that requires this way of engagement. The way we converse is not a common element presented to the Church because the Church carries a blanket covering that hinders hearing Yahweh engage them as if living in the days of prophets of old. The early church apostles did not operate the Church using prophet traits, but Yahweh's prophet office did not go away. And with a season of quiet, there will be that appearance as if Yahweh no longer engages or can push out prophet traits.

But Revelation isn't centered on hearing the Church people. Revelation is a Book of prophet placement, bringing major judgments upon the earth. And there is a power placement of how judgments will pour out that requires an active office in prophet traits from Yahweh.

MY TESTIMONY

INTRO NOTE

I am trained as a prophet of old to deal with Yahweh as if in an Old Testament way. The books of 1 and 2 Kings give examples of how those prophets dealt with Yahweh without the sugarcoating and the soft fluffy words of affirmation every moment. When I first started training in a more class-like setting, Yahweh more often used phrases like "you can do it," "don't get weary," "I am with you," "you are My daughter," and so on. Once the training shifted into the Cave training of hidden away and learning to deal with rejection, Yahweh set certain restrictions in place to not take Yahweh lightly and be too comfortable.

Then Yahweh started calling me "servant." At first, I was so upset and offended because I thought that that meant I was worth nothing. But then, He made me see that He shifted me from just being a daughter in the Kingdom to an office official who would receive tasks and assignments on official orders from the King. It's similar to a family situation: King Jesus was the Son of God on Earth, and His natural mother (Mary) had to see Him as the Son of God, not just her son who came out of her womb. And Mary would not be able to attain eternal life if she could not take in King Jesus as the Great God I AM.

So, when Yahweh deals with me, He gives me difficult lessons and greater levels of responsibility in His Kingdom work. From battle training to spiritual warfare and studies on engagement, He gives harsh training to prepare me for whatever may come. He doesn't want me unprepared. Cuddling me will not prepare me to deal with any warfare. Just as the general in the military should carry specific disciplines and receive secrets or harsher punishments than a new military member would, Yahweh takes me through stages of training that make it appear that He is a mean God. In all actuality, because of the training level, restrictions, and establishment of discipline, Yahweh trusts me to do

what He says and pushes greater surgings from Him that are dangerous to the regular untrained and undisciplined Christian.

THE TESTIMONY

The abuse started at a very young age. I was no more than the age of six when the demon entered me. This demon would be the first of many due to how I would live. The first man to touch me in a plan that led to a demon living within did not care that I was a young child. My parents were Christians, yet I could not say what had happened. The details of my teenage years were no different. I endured physical, sexual, and emotional abuse, and I used school activities to hide the pain. The amazing detail that I will speak about is that the Great Holy Spirit was with me during these circumstances. Yahweh would call out to me through various situations. He would allow me to see King Jesus in visions.

I had a hunger for God even though life was hard. I knew there was more than living life like this, but I didn't know what I needed to do to connect with the Creator of the world. Deep within, I thought I wasn't good enough for what God would want me to do. I thought He would not want me due to being mistreated and abused. I just didn't know who would understand this without judging me. I needed love, but I didn't know what this love would look like even if it were to come.

I started to lose my Christian way of living, and this way of sinful living took a deep hold within. I could not tell of this way of living due to not wanting others to reject me. I became addicted to pornography and had stronger cravings for sexual details that I will not mention. There were many cravings within I could not handle to the point where I began to act on them. I became a predator, wanting to take and control all who would dare try to intimidate me. I did not want to be hurt anymore, so I used my body or the words I would say as a weapon to manipulate—to get what I wanted at that moment.

I didn't care about the problems I caused. I had filled my life with occultic things and didn't know it. I filled my life with perversion and excused it as a way to pursue what I craved. I did my best in my fleshly way of living to make me believe I was worth something. The price was high as the dreams that I pursued were harder to reach. I was on a path of death and didn't think it could happen to me because I once knew King Jesus. I thought He would understand.

I didn't know that Yahweh would still love me, where He would think I was worth something even when I lived apart from Him. I knew of the stories from the Bible. I knew of the "Jesus Loves Me" songs, but this was different in my heart. I needed true power from God Himself to shake me to the core of my being, and this is what He would do in His sovereign way:

Through a dream, the Lord spoke and gave me a great warning of my life if I chose to stay on the way of living that I entertained. He gave me a choice at that time, yet I still think that I would not have embraced His will if He didn't come and bring the second dream, which He did. The dreams felt like reality. I was terrified of the warnings and yet grateful to Yahweh for them.

Now, I grew up hoping the love I had for God would overturn the memories from what I endured as a child, but it did not. I journaled my hopes and frustrations. In transparency, I found it easier to write my thoughts and prayers to Yahweh, and over time, I felt comfort in knowing that He listened.

Yahweh didn't leave me when I was angry or depressed. The hurt, the bitterness, the youth taken—I had to give these details to Yahweh so He could bring full healing. By the power of the Great Holy Spirit, I learned how to release the pain of those details over time.

So much has changed since that day. But Yahweh has been constant in His love. He gives tests and gauges My spiritual growth, yet He shows me times of refreshing when needed. I can always talk with Him, knowing that it doesn't matter what time of day or night. And throughout my learning, I can be sure of His purpose: We will work towards preaching the Kingdom and preparing the world for the return of Christ. There always seems like there is time. But there will one day be an ending to this living. Why not taste Yahweh's Kingdom now? He can help you in your time of painful living. And even if you have perfect friends and family with you, what are they able to protect you with? Can any other offer eternal living? Here is what my God King Jesus says:

(1) "Do not let your heart be troubled; believe in God, believe also in Me. (2) In My Father's house are many rooms; if *that* were not *so*, I would have told you, because I am going *there* to prepare a place for you. (3) And if I go and prepare a place for you, I am coming again and will take you to Myself, so that where I am, *there* you also will be. (4) And you know the way where I am going." (5) Thomas said to Him, "Lord, we do not know where You are going; how do we know the way?" (6) Jesus said to him, "I am the way, and the truth, and the life; no one comes to the Father except through Me.

—John 14:1-6 NASB

Come and drink the Living Water He offers this day. If you do, there will be immediate Kingdom citizenship.

(9) If you openly declare that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. (10) For it is by believing in your heart that you are made right with God, and it is by openly declaring your faith that you are saved.

—Romans 10:9-10 NLT

THE PRAYER OF SALVATION

Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.
