

FEMALE CO-PASTOR? YOU'RE OUT OF ORDER

YAHWEH SAYS IT:

I did not call anyone to be a co-pastor. And women are not to carry the 'Pastor' office placement under the Church structure. Paul gave a plan that will be thoroughly reviewed in this book. No male or female carries a calling as a 'Co' office placement. You can be a co-laborer in the faith but not in governing office placements. Those churches that validate this practice are not in Yahweh's way of order.
