

MORE GRIM WARNINGS

YAHWEH SPEAKS PLAINLY:

People are dismayed that leaders are falling on both sides. Do not look to placing any human on a pedestal. No human is sinless. There is no human on Earth who is without sin. There is no one who can live a perfect life, referring to created beings. Every human being can take in sin and yield to Satan's way. This is a continual battle with every true worker in Yahweh: trying to stay away from the snares. We tell you to stay connected to Yahweh. Don't put any man or woman on a pedestal. Yield to Yahweh.

Within this way of My plan moving forward, there will be a continual searching within these churches. There will be a continuing review to see the spiritual way. Yahweh will plan to bring out other trespasses to shape the way. Here is a grim warning: there will be an overlapping of eras. But instead of the Church way overlapping the old Jewish ways as in the Book of Acts, what will be pushed will be the reigning of the antichrist, overlapping the current Church grace plan.

There will never be another way to have eternal life outside of Yahweh King Jesus. But they will see something different: the way of Yahweh's wrath. This heavy way of anger is gauged as if living in the early biblical days. See why we carefully pen this? You write My words. And I speak slowly to make sure you do not make a typing mistake. Two eras: the Church age of grace over the whole world and the reigning of the antichrist, a time of great trouble. But there will not be a presentation of heavy heartache at first. A human savior will have a way to draw the masses. Peace. A presentation of caring.

Woe. Woe. Woe.

Yahweh will continue to visit churches and strip away surgings of provision, protection, and power as a warning of what is to come. Satan will have permission to conquer. What should be the way of every real Kingdom citizen? Study the written Word for yourself. Learn the context in a Scripture reading. Stop waiting for your leader to give you some baby food in a building. If your church building closed and your nation turned and made worshiping Yahweh an act of a hate crime, where would your footing be?

Here is what's coming: every church building will close. Satan will govern the entire world by harnessing a human. Demons will lead as Satan's real army on Earth; materialization is how they will do this. The way of taking the mark of the beast seals the person in that damned state. There will be no repenting within the ones who take the mark. Yahweh will not call them. Yahweh will mark them for the lake of fire while they live. A permanent way.

But what can you do this day, person who reads this? Look to Yahweh for healing in all parts within. Stand with what the Word states. You must read it. Don't lay your soul in the hands of your favorite "prophet." Do not listen to the ones who say you are a little god. My face is turned away from those who are saying this. They put an idol in place of where Yahweh should stand. They spit on Yahweh in their way to have lowercase gods.

I am giving a grim warning: the next wave in stripping and reviewing is ahead. And you should have a ready way and stay with clean hands and a pure heart towards Me.
