## **ABOUT THE BOOK'S GRAMMAR**

The notes given in this book are a part of the servant's personal experiences and training, lacking perfect grammar and extensive editing to keep a more authentic presentation of actual training events. Sometimes, Yahweh doesn't say "an" when needed but would use an "a." It's not a grammatical error but a note of the actual way spoken.

## **ABOUT SERVANT SEERSGATE**

Susanna (called Seersgate by Yahweh) is a world-level hearing and seeing prophet who engages in conversations with Yahweh, given delegated governing to carry a mantle that operates in the work sphere as if a prophet of old. She spent ten of her thirty years of novice training in a spiritual cave under Yahweh's plan. Throughout her novice training, Seersgate tasted different levels of spiritual engagement with angels and demons in tester work environments.

As Yahweh leads, this work with the Great Holy Spirit will include demonstrations of creative miracles, wisdom, judgment, and experiential learning. We will publish messages, teachings, and training material without reservation to build up Yahweh's Church.

### **SERVANT OF THE LORD SAYS IT:**

Who can know the mind of God without having the Spirit of Yahweh dwelling within? These notes are not to replace written Scripture. Rather, Yahweh wants the people to learn different ways Satan works with his demons and servants under his governing.

Yahweh wants the Church to stop using cliches and phrases based on the traditions of men and start taking on active battle warfare using the armor of Yahweh.

Yahweh is God I AM. King Jesus referenced Himself as I AM. Learn of the name Yahweh yields and stand under Kingdom order.

Let's go to work.

# THE WAY THE CHURCH SEES

## THE DEMON NAMED SATAN PART ONE

June 28, 2022

7:58 p.m.

### **SEERSGATE STARTS IT:**

We know that Satan is not how many churches deal with his way. There is a lot that people can say about the nature of Satan and how he carries himself. But what would be a more beneficial way?

### **THEY SAY THEY CAN BIND SATAN.**

Can you bind the enemy of Yahweh that walks to and fro, seeking whom he may devour? Can a person say, "I bind you, Satan," and think that Satan will stay in chains from their spoken words?

Satan will not be able to be bound until, as mentioned here:

(1) Then I saw an angel coming down from heaven, holding in his hand the key to the bottomless pit and a great chain. (2) And he seized the dragon, that ancient serpent, who is the devil and Satan, and bound him for a thousand years, (3) and threw him into the pit, and shut it and sealed it over him, so that he might not deceive the nations any longer, until the thousand years were ended. After that he must be released for a little while.

—Revelation 20:1-3 ESV

Yahweh does not give us a way to see Satan bound until that timing. And it is Yahweh who would give the order to place Satan in that bottomless pit when the fullness of time has come. No human will give an order or declaration to make this event take way. That means that Yahweh is planning Satan's prison time, that thousand years before Satan is released for a little while.

That idea of having God traits is a root problem in how church people deal with Satan and other demons. People think they can create matter, situations, destinies, and life itself through their spoken words of declaring and decreeing. And their way of irresponsibly pretending to bind Satan with no prevail brings doubt to others, and a lack of faith in what Yahweh says is possible.

When you pray, do not say your commands, expecting God I AM to bend and do what your will is. Offer Yahweh prayers of supplication, asking for His help! That way of seeking God King Jesus will be influential, bringing humility, lowering ourselves before our Creator.

### **CHURCHES PREACH THAT SATAN IS THE CAUSE OF EVERY SICKNESS.**

Some people view the God of the Bible as two separations in their perception: the mean God (Yahweh) of old and the loving God (King Jesus) of the new. Yet the God of the old and the new are the same God! That's how the churches presented Yahweh, and I did not know how to engage such a God.

I have repeatedly heard that Satan is the cause of every sickness to the point where I accepted that statement as truth. I did not see that King Jesus is in the Old Testament, the God I AM. I AM spoke to Moses in the wilderness (ref. Exodus 3:13-15). King Jesus refers to Himself as I AM in the Book of John (ref. John 8:58), which makes me see that grace keeps us from feeling the full wrath when Yahweh judges us.

In my early learning days, I thought that Satan was the only one who could bring death. But what kind of death do I refer to? Eternal separation from Yahweh is the second death, a form of death that Satan cannot overrule.

(11) Then I saw a great white throne and Him who was seated on it. From His presence earth and sky fled away, and no place was found for them. (12) And I saw the dead, great and small, standing before the throne, and books were opened. Then another book was opened, which is the book of life. And the dead were judged by what was written in the books, according to what they had done. (13) And the sea gave up the dead who were in it, Death and Hades gave up the dead who were in them, and they were judged, each one of them, according to what they had done. (14) Then Death and Hades were thrown into the lake of fire. This is the second death, the lake of fire. (15) And if anyone's name was not found written in the book of life, he was thrown into the lake of fire.

—Revelation 20:11-15 ESV

### **SEERSGATE CONTINUES:**

As verse fourteen mentions, the second death is the lake of fire. This form of death cannot be brought on by Satan, for Satan himself will be thrown into the lake of fire (ref. Revelation 20:10).

When bad things happen, people tend to blame God Yahweh. Some think that anything evil is automatically Yahweh's fault or Satan's actions through humans. They say that God took their loved one and He is evil, yet they fail to see how humans walk in a sinful state, carrying out the nature from Satan living under the law/curse of sin and death (ref. Romans 8).

Satan and those following his nature will steal, kill, and destroy. There is no way of grouping Satan's nature under a stream of Yahweh's way of governing and judging. What plan does Yahweh yield? When Yahweh gives a death, He uses a demon to govern how that dead person stays under the placement known as the *death phase*. Yahweh gives a death spirit a governing plan over the dead person.

Look at verse fourteen from the previously mentioned Scripture from Revelation and note how Death will be thrown into the lake of fire—because Death is a literal spirit, and there will be no further need for that plan into eternity.

A person ponders: "Satan steals, kills, and destroys. What makes him different when in the nature of killing than with seeing Yahweh deal with bringing death into the way of a human?"

Let's think on that way. Let's have a seeing way and understand the removal of life.

### **YAHWEH IS LEADING:**

See how this is deep. Let Me help you with this way.

The way I give life, no human can bring forward that way of life. No one can gain that power level in God to take on the nature of calling forth power to resurrect or sustain. A human can cut a life short by bringing death, using Satan's nature. But how does Yahweh's plan of taking a life not fall under the same outline?

I am literally speaking a death sentence when I take away a life and place them into a form of death. Some are under a curse, and then death leads. Some are under a sealed plan, scheduled for the Hell. And that form of sealing is a death plan. I can tell a group of people that they will die off in the wilderness, causing a death sentence to take over their plan. And over natural time, My death sentence will be clear and visible to those

who are gathered. But Yahweh will never walk in Satan's nature to yield out death sentences.

How can Yahweh bring forward death without using a Murder demon? Think of how I created all, and ponder how Yahweh King Jesus holds all of creation together. Look at how the world came forward, and consider the power that I carry. And what will happen when I write a new plan and take away what way has led in that person or gathering? Let's say I give a life trait and power to live, and to have your heart beating is a leading plan. And then I say, "You will end living." What happens? I write a new plan that overrules what once was.

Satan has no power that can bring life. I will not share My glory with a created spirit—once an angel turned demon; that's what Satan is. And I have scheduled Satan to go into the lake of fire for all eternity. When I bring natural death forward, I remove the life I offer and cause that person or gathering to take on a removal from what I give.

Satan's way of taking life is by a demon, bringing a rift between body and spirit, along with the soul. Once life is taken, there is no plan to be given a choice to hear the Good News and enter the Kingdom of God unless Yahweh brings resurrection power, which is another will (a rewrite) that overrules how Death is governing over that dead person.

I will bring death sentences. That is clearly mentioned in Scripture (Adam and Eve – Genesis 3:19). I can bring instant judgment for an action of rebellion against My will (Lot's wife – Genesis 19:26). I can bring sickness upon a person to show my disgust (Brothers Er and Onan – Genesis 38:6-10). I can bring a sickness when someone speaks out against My chosen leader (Mariam and Aaron – Numbers 12:1-16).

I can send people straight into the pit of Hell for coming against My governing (Korah and others – Numbers 16:31-35). I can speak a form of torment that is scheduled to take way (Blasphemy against the Great Holy Spirit – Mark 3:22-30). I can close off wombs

(Abimelech's house – Genesis 20:17-18). I can make people unable to speak (Zechariah – Luke 1:18-23).

But what else can I do? I can reverse a death sentence (prophet Isaiah delivering a message to Hezekiah – Isaiah 38:1-6). I can open blind eyes (John 9:1-7). I can raise the dead (Mark 5:35-43). But what is the most important plan? I give eternal life.

(17) Now when Jesus came, He found that Lazarus had already been in the tomb four days. (18) Bethany was near Jerusalem, about two miles off, (19) and many of the Jews had come to Martha and Mary to console them concerning their brother. (20) So when Martha heard that Jesus was coming, she went and met Him, but Mary remained seated in the house. (21) Martha said to Jesus, "Lord, if You had been here, my brother would not have died. (22) But even now I know that whatever You ask from God, God will give You." (23) Jesus said to her, "Your brother will rise again." (24) Martha said to Him, "I know that he will rise again in the resurrection on the last day." (25) Jesus said to her, "I am the resurrection and the life. Whoever believes in Me, though he die, yet shall he live, (26) and everyone who lives and believes in Me shall never die. Do you believe this?" (27) She said to Him, "Yes, Lord; I believe that You are the Christ, the Son of God, who is coming into the world."

—John 11:17-27 ESV

**SOME BELIEVE THAT SATAN ALWAYS EXISTED.**

**SEERSGATE LEADS IT:**

Yahweh created Satan. Satan did not always exist.

(14) You were the anointed cherub who covers,

And I placed you there.  
You were on the holy mountain of God;  
You walked in the midst of the stones of fire.  
(15) You were blameless in your ways  
From the day you were created  
Until unrighteousness was found in you.

—Ezekiel 28:14-15 NASB

## **“HEALING AND FORGIVENESS”**

July 15, 2011

### **SUSANNA:**

Lake said: “Healing was the evidence of God’s forgiveness—heaven’s testimony that their sins were remembered no more.” (Page 490, *John G. Lake, The Complete Collection of His Life Teachings* compiled by Roberts Liardon)

### **KING JESUS:**

That is not scriptural, Susanna. Because someone is healed doesn’t mean their sins are forgiven. Just the same if someone is sick means that they are a sinner. This is where people get confused. People tell them if they are sick, it’s because of lack of faith, or they didn’t believe enough, and so on. It is My will to heal, and at the same time, I choose to heal whoever I want

to heal. At the same time, I can forgive anyone, but they must come to Me for forgiveness. I am the only Way. There's no other way to Heaven. Do not preach this, that if you are sick, you have sinned against Me, and if you are well and made whole, then God approves of you. This will cause many to walk in condemnation. They will always think they could never be good enough for Me to heal them when all along all have sinned. All fall short of the glory of God. You must see this, and this is why you must ask Me what's really going on behind the scenes before you pray for healing. See what I am doing. See what I want to do with that individual. Yes, sickness is not in Heaven. At the same time, as I have mentioned in that message that I gave you on healing, everyone is not healed. But because someone dies and goes to Heaven doesn't mean that they lacked the faith to be healed. People must realize that they must come to Me for healing or anything else they need. It is in My nature to heal because I am the Healer. At the same time, know what's going on in the unseen realm that's bringing about that sickness, so you wouldn't pray against My will, against what I am doing at that moment. I know you understand because we've covered this before in another entry. This is so others will understand and not judge others if they leave a meeting sick.

### **SUSANNA:**

Yes. Thank You, Lord.

### **SEERSGATE CONTINUES:**

Demons were once angels who turned against King Jesus and served Satan in a rebellion. What if Yahweh has a place on Earth (the Hell) that houses Satan and the demons? Why

would Yahweh yield that plan? The current Earth will not be here for eternity, for Yahweh's Word says there will be a new Heaven and a new Earth (ref. Revelation 21:1).

Satan is not a God at all. Satan is not in the same grouping as Yahweh, our God I AM. Satan will never be able to give resurrection life, for only King Jesus can carry that nature within—the Resurrection and the Life.

Every angel carries a plan to serve the One True God. There is no leeway to enter serving Satan when under Yahweh's care as an angel. No human can take on angelic traits, nor can any human turn into a demon as their presentation.

Yes, Satan has power through delegated ways from Yahweh. I will present a discussion in Part Two about Satan's way of dealing with prophets and dealing with humans based on his traits. We will also give stories of my engagement with Satan and his workers.

There will never be a plan that will present Satan on a pedestal. These ways of training notes give a well-rounded awareness to understanding the greatest enemy of the Kingdom of Yahweh.

# THE DEALINGS OF THE ENEMY

## THE DEMON NAMED SATAN PART TWO

June 29, 2022

3:44 p.m.

### **SEERSGATE IS SPEAKING:**

Yahweh is having me get this document written out earlier due to unexpected power outages. And Yahweh doesn't want the work to fall behind due to these inconveniences.

### **YAHWEH'S TURN TO TALK:**

I kept you young-looking for a very good reason. How many younger versions of humans take advice from someone they cannot relate to? Here we are talking about the enemy of the One True God, and Yahweh brings up your way of presentation. It's because I am using your nature also to yield a way of a sign, and I want the person who looks your way to note your way within this work.

Don't be angry about the Internet. No one can halt Yahweh's power way. No one can halt how Yahweh brings forward a great Kingdom work. I am faithful to take care of how all must come forward. I do not rely on a checklist to make sure all tasks are taken care of. I am not a human. People say that the God named King Jesus was just a man when He walked the earth. What kind of man can bring healing to body, soul, and spirit? Yahweh is God. As you mentioned, King Jesus referenced Himself as I AM. King Jesus took on two natures within one frame: God-Man, but never was King Jesus only a man.

Let us get into our topic. Servant, go ahead.

## **SERVANT SEERSGATE:**

I love when Yahweh calls me “servant.” It wasn’t always that way. I love that Yahweh really speaks and His ways of dealing with us are not cookie-cutter methods. The way Yahweh deals with me may not be how Yahweh chooses to deal with you. But the difference in dealing with us does not make one person more important than the other. Yahweh is love, but He is also a fair Judge. We can trust how Yahweh governs just by how He sets the sun, moon, and stars in order in an operating system that doesn’t fade away.

Not only is Yahweh able to keep the universe in operation, but Yahweh also keeps our bodies pumping blood. He gives us air to breathe, a way to be sustained on Earth. No other planet offers the graces that He gives us here. We do not need spacesuits; we can walk freely around without protection. But what do we do with knowing we have a God who protects us? Some may pretend He is not real. Some may want to put lowercase gods in Yahweh’s place. For some, human nature would lead and make ourselves our lowercase gods.

At the same time, Yahweh still looks upon us lovingly, not holding any grudges, not taking away our oxygen when we are ungrateful, unthankful, or unholy. And yet, Yahweh calls out to us, seeking a relationship, wanting to spend time with us. But what tends to fill our time? Social media, maybe? Filling our time with sports or outdoor adventures while pretending the earth evolved from nothing. Faithful is Yahweh still.

And what other spirit do we turn to? “We” refers to all of humanity. Many would turn to Satan, but what benefit would there be to turn to a created spirit? Satan loves to reveal himself. Satan loves to operate in prideful ways, wanting to stand on a platform and claim a title He does not deserve. And never can he become a God just as God I AM. Yahweh and Satan are never in the same grouping. Yahweh literally holds all creation together

with His great power, and if Yahweh chooses, forms of matter will dissolve in one breath from our Creator.

## **SATAN AND THE WAY HE DEALS WITH HUMANS**

Satan has tricked many into believing that he can give out the same nature traits as Yahweh. The problem that Satan presents humans: he gives half-truths or a baseline that carries some truth that, without a discerning way, a person would take that power option that puts oneself on a pretend equal level with Yahweh. What did the serpent tell Eve in the garden?

(1) Now the serpent was more crafty than any other beast of the field that the Lord God had made. He said to the woman, "Did God actually say, 'You shall not eat of any tree in the garden?'" (2) And the woman said to the serpent, "We may eat of the fruit of the trees in the garden, (3) but God said, 'You shall not eat of the fruit of the tree that is in the midst of the garden, neither shall you touch it, lest you die.'" (4) But the serpent said to the woman, "You will not surely die. (5) For God knows that when you eat of it your eyes will be opened, and you will be like God, knowing good and evil." (6) So when the woman saw that the tree was good for food, and that it was a delight to the eyes, and that the tree was to be desired to make one wise, she took of its fruit and ate, and she also gave some to her husband who was with her, and he ate. (7) Then the eyes of both were opened, and they knew that they were naked. And they sewed fig leaves together and made themselves loincloths.

—Genesis 3:1-7 ESV

So, what did Yahweh say?

(15) The Lord God took the man and put him in the garden of Eden to work it and keep it. (16) And the Lord God commanded the man, saying, "You may surely eat of every tree of the garden, (17) but of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat of it you shall surely die."

—Genesis 2:15-17 ESV

### **YAHWEH IS SPEAKING:**

So, do you see what the baseline problem was? A direct misunderstanding of the order. Now, the question should be: Did Adam relay the wrong instruction since Eve was not there when I gave the command not to eat of that tree? Look at this verse, servant, the one you reviewed:

So when the woman saw that the tree was good for food, and that it was a delight to the eyes, and that the tree was to be desired to make one wise, she took of its fruit and ate, and she also gave some to her husband who was with her, and he ate.

—Genesis 3:6 ESV

### **YAHWEH CONTINUES:**

Where was Adam, servant? Right beside her. When people preach this, they make it seem as if Eve was by herself doing this sin when in reality, they were both together, yet Adam blamed Eve, and Eve blamed the serpent for sinning. It says he was with her. So, if Adam was with her, whose fault was it for the fall? Who did I address first? And why would I address Adam and then talk with Eve? I did speak with Eve.

People must read what is actually written and not assume that the woman had no governing, for if she did not, I would not have addressed her. Adam was the one who

was told the command before Eve even came forward. I made Eve after I gave Adam the command. Adam was supposed to have given the order, the correction of when something is off. Who became Adam's god at that moment? His wife. He followed her over My command.

Anything that takes Yahweh's place has become your god. You understand that. And when any man says to "worship what I say over what Yahweh says" has placed a god-pole in his honor and wants you to worship their way over Yahweh's Word.

So, who is actually at fault? I judged them both. Why? A household order. Now, think about it: how many houses are in chaos because one spouse is trying to place an order over the other that breaks down the family structure by use of calling out words against the other? Satan gives a taste of twisted truth that becomes a new baseline of how the human should move forward.

I look at how churches are. I note that they have their core beliefs as if copied, pasted, and declared for a front. But then I look at how they have yoga and other occultic practices in their church ways. They defile My altars with actions that go against My core Word, and they expect Me to bend to their way.

They say, "Yahweh, look, we are telling everyone that Jesus is the Way to Heaven."

But Yahweh says back, "Then why are you having sex with harlots? Why are you prostituting My gifts? Why are you adding your doctrine to My Word? And I have more crimes to speak against your way, for you serve Me with fake ways; your heart is far from Me. The form of godliness brings up vomit."

And you wonder why I am not there. You fake having Yahweh in your services because Satan is actually your god. The human body belongs to Yahweh, a temple of the Lord. How can you join it to harlots? How can you defile the temple? You dress up your church

outlets while your fleshly tent is like dead men's bones. How can I honor this half-hearted worship? See, I cannot have false ways of worship and take them as a sweet savor. My creation must worship Me in spirit and in truth.

See how Satan causes division? Satan has My Body arguing about salvation when it's clear: the only way to Heaven is by the blood of King Jesus. You must be born again. You must enter the Kingdom of Yahweh by salvation in the Way.

Jesus said to him, "I am the Way, and the Truth, and the Life. No one comes to the Father except through Me."

—John 14:6 ESV

(8) But what does it say? "The word is near you, in your mouth and in your heart" (that is, the word of faith that we proclaim); (9) because, if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved. (10) For with the heart one believes and is justified, and with the mouth one confesses and is saved. (11) For the Scripture says, "Everyone who believes in him will not be put to shame." (12) For there is no distinction between Jew and Greek; for the same Lord is Lord of all, bestowing his riches on all who call on him. (13) For "everyone who calls on the name of the Lord will be saved."

—Romans 10:8-13 ESV

## **YAHWEH CONTINUES:**

Salvation is not in the car you drive or the spouse you carry on your arm. Salvation is not in how many prayers to Mary you give, for praying to the dead saves no one. You must go through King Jesus. Now, what is Satan doing? One of Satan's brides, O\_\_\_\_, is telling the world on her program that there are many ways to Heaven, to God. She has gone against the core Christian beliefs that state there is only one God and that the only way

to eternal life is through Christ. This worker of Satan has gained the trust of multitudes while her dark heart brings many under sinful ways of dying without a saving way. Her lies are as the devil. From the very beginning, he has lied.

And look at how people swarm to famous people and trust their vision over what Yahweh says. They think that the Bible is not relevant for what they go through. Because there is technology does not have a plan of creating life, but there is a craving to be a god. No one can become a deity. Yahweh is the One God who always was. Why are you bending to those in power who bend to Satan's way?

What is Satan offering? A governing of Hell—that is what he offers to some. Satan offers earthly wealth and fortune by being well known. The lie that Satan gives: he can own you by the selling of your soul. Why is that a lie? All life comes from Yahweh, and all are birthed with a sinful nature. All have sinned, and all fall short of the glory of God. No one comes into natural living with a born-again salvation plan. No baby baptism is going to save anyone. All must come humbly before My throne of grace. All must come into the Kingdom the same way: through Christ.

### **SEERSGATE IS LEADING:**

Satan will already govern you when there is no salvation in Christ. Satan works through our sinful nature, our desire to please the flesh. Your flesh will fight against the Spirit.

(16) But I say, walk by the Spirit, and you will not gratify the desires of the flesh. (17) For the desires of the flesh are against the Spirit, and the desires of the Spirit are against the flesh, for these are opposed to each other, to keep you from doing the things you want to do. (18) But if you are led by the Spirit, you are not under the law. (19) Now the works of the flesh are evident: sexual immorality, impurity, sensuality, (20) idolatry, sorcery, enmity, strife, jealousy, fits of anger, rivalries, dissensions, divisions, (21)

envy, drunkenness, orgies, and things like these. I warn you, as I warned you before, that those who do such things will not inherit the kingdom of God. (22) But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, (23) gentleness, self-control; against such things there is no law. (24) And those who belong to Christ Jesus have crucified the flesh with its passions and desires. (25) If we live by the Spirit, let us also keep in step with the Spirit. (26) Let us not become conceited, provoking one another, envying one another.

—Galatians 5:16-26 ESV

## **SATAN AND HIS DEALINGS WITH PROPHETS**

### **SEERSGATE CONTINUES:**

This topic is an extensive, deep discussion that will not be thoroughly discussed in these few notes. A prophet can serve Yahweh or serve Satan. A person is called to be a prophet by Yahweh even before they come into the Kingdom through salvation in Christ. Yahweh calls a person and makes them a prophet through an enabling of prophet traits, the ability to see, hear, discern, and engage spirit beings and Yahweh in levels that may be overwhelming for others. But Yahweh also spiritually strips prophets, causing them to become transparent before Him, willing to put Him first through obedient ways.

What Satan does is that he can note what is given within the servant and will aim to steer them—by using others to take them off course or by tempting them to prostitute the prophet traits and veer off into using demons to gain spiritual insight. Many people do not realize that no earthly leader can make anyone become an actual prophet. The problem with this knowledge is that once one sees that their governing authority in a church building only goes so far, the weight of relying on Yahweh manifests.

But also, with the realization of the need for Yahweh, there will be temptations offered by others. Others may tempt servants of Yahweh to go through demons if they want to maintain a particular persona with the public. Let's say that Yahweh does not release a prophet for duty. They wait and wait; still, Yahweh says, "Not yet. Wait a little bit longer."

But there is a new pastor or promotor of a stage or platform, and they say to the prophet in waiting, "I know you operate in the prophetic. I know your God Yahweh is with you. Can you come and give a few words of encouragement? Can you give a word from the Lord for us?" And there you are, wanting to go up on that stage so badly, wanting everyone to know that Yahweh really did call you, and you want that validation.

You want the church to know that there is a mantle upon your life. And you say to yourself, "Yahweh talks to me now. I know Yahweh told me to wait. But I am ready. It's just a little meeting. It's not a major event. There will not be a lot of people. Yahweh would not be mad if I went." And there you go, building a platform for an event without Yahweh's help. The gifts flow. There is spiritual engagement. Maybe some fall out in the Spirit. And maybe they say there was power in your preaching.

Let's take a moment to ponder what is happening in this story. That prophet is at a crossroads, where they will have to say they will follow Yahweh or take on needing demons. Yahweh will start withholding the covenant power and put a spiritual cap on the prophet. And that cap withholds the ability to drink Yahweh through prophet traits. And once that removal comes, the prophet resorts to gathering information from Satan. This means that a real prophet, if removed, could end up dealing with any spirit that will give them information on a person, a nation.

There are many false prophets giving words of knowledge gathered from demons relaying details about a person's life. Yet, the false prophet has no spiritual licenses or power to shift the atmosphere. This lifestyle of deceiving people through words of knowledge and labeling it prophecy is the den of Satan, carrying these so-called prophets forward onto

major platforms but with no actual power. Telling someone what is in their fridge, who is in their house, or their last name is not a sign of power, nor are they operating in prophet traits. Satan and his workers can perform these “parlor tricks” to bend you to their will.

### **YAHWEH IS LEADING:**

Oh, that is powerful, servant. Satan will work through those who call themselves servants, actual prophets. Satan gives them a taste of making people fall out.

Here is a common plan going on with a false apostle who has come from Africa with an encounter of demons from a witch doctor. She can make a demon manifest, but that is it. The demon stays hidden and later comes forward. Oh, My people, hungry for a taste of power but falling for the snares of the enemy. How will you ever begin to grow and take on wholeness?

Servant, share some personal experiences.

### **SEERSGATE SAYS IT:**

When Yahweh was dealing with me in my early days, I saw Satan come in the night. He took on the appearance of an angel, very bright, but there was a view of his eyes that were terrifying. Satan had the whole look of what you would expect an angel to be, but his eyes were like a snake’s. He had snake eyes with a slit in them. He was angry with what was within me, Yahweh’s mark on me and the mantle.

When I first learned to engage Satan, he brought a demon mediator, a form of a messenger, to relay what he wanted to say. Satan would have his demon deal with me in the early days while he stood there. Satan carried himself as if high-ranking, too “important” for me to deal with directly. Whatever demon that came, their ultimate goal

was to scare me into thinking Yahweh would not protect me. Satan threatened, mocked me, and attempted to gain my loyalty by using his deception with a lie told.

### **YAHWEH SAYS:**

Tell of that other incident, servant.

### **SEERSGATE LEADS:**

I was at my home office, sitting at my desk. And one of Satan's demons came to spy on me. And Satan came, but he did not use another demon this time. Satan dealt with me directly, presenting himself with two arms and two legs. Satan is not red, and he doesn't have a long tail. In this meeting, Satan carried a grayish-brown shaded way of presentation. Satan appeared to have great age yet lacked wrinkles that natural aging would give a human, and he didn't have hair. Satan came to mock and threaten me, but before that, he begged me not to enter his territory. Satan knew of Yahweh's plan to have me go into Las Vegas and govern.

My level of spirit engagement changed, and Yahweh provided greater surgings of power to face more brutal battle training. The Angelic Guard with me grew in members, and I learned to delegate under Yahweh's hand. Satan saw the prophet traits Yahweh gave as a threat. And he used a position of word games to make me feel that Yahweh would falter.

Over that training season, Satan visited regularly. He often mocked me due to how Yahweh had filters on my way of seeing spirits. I could sense when Satan was in the room or needed to deal with me. Yahweh would tell me where and how Satan was positioned or sometimes give me a vision of how Satan looked. The seeing way from Yahweh would come across in a similar way to a flashback when you remember something you have seen, but for me, I did not previously see it.

I learned to converse with Satan in diplomatic settings, and that's how I knew Yahweh moved me to a different way, another level of spirit engagement. In our meetings, Satan lied about the rapture and other events, and he wanted me to believe that Yahweh would not back me with power, constantly chipping away at Yahweh's true nature. And there were times I made mistakes and opened doorways to demon torture by viewing videos of occultic nature that also gave Satan ways to engage me, ways I wish I could remove from memory.

I was once fascinated by the story about a man who saw Satan in his house, and then after seeing Satan, he went back to bed. I wondered what that engagement would be like, but it's not fun dealing with demons because it delves into life and death. Facing Satan is a form of battle engagement. And Satan's workers are just like him, trying to plant doubt in my heart to bring a rift in how I believe Yahweh's promises.

Satan's witches and warlocks would enter at will—yes, into my apartment and start having conversations, telling me that their god Satan is more powerful than my God Yahweh. They threatened me by using one main tactic: doubt in Yahweh's words. I would weaken if they could bring doubt in my heart against what Yahweh promised in His written and spoken Word during our times together. My faith would weaken if I doubted Yahweh, which would have taken me off course.

And I learned that sometimes Yahweh would change a plan without an explanation, yet there must be complete trust that He will keep His promise.

That is how Adam and Eve let their guard down in the garden: they started to question and doubt what Yahweh actually said. So, what can we learn from how Satan infiltrates our foundation in how we walk with Christ? Satan brings false doctrine and ways to question Yahweh's plan.

Yahweh's Word gives a clear plan, yet, the Church struggles with doubt concerning what Yahweh says. So, Satan has webs of mistrust, with the removal of giving truth, and because of so many partially true sermons, people cannot have a firm ground to build their faith in Christ. And without that absolute truth of what Yahweh says, there is always an unstable way of moving forward. For if you do not know about Christ, His nature, and how He deals with us through what His Word says, Satan can bring deception, subtly changing the Kingdom culture in your gathering, implementing Satan's worldly way. And then people will begin to do what they feel is right in their own eyes.

And this is where we must take a stand and say, "Yahweh, we stand with Your word, and we will do what You say."

# **FACING THE ENEMY**

## **THE DEMON NAMED SATAN PART THREE**

### **SEERSGATE IS LEADING:**

Those in Christ King Jesus can move in battles against the enemy when they turn and seek protection from King Jesus. Call out to Yahweh. Ask Him to help you in your time of great need. Is Yahweh unstable? No. Yahweh is great and mighty, strong and able to do what He says.

Yahweh is holding all of creation together with His great power. The power in the words Yahweh spoke to call forward what exists will never be in the capacity for humans to create. We must look to Yahweh for His way of sustaining life. How can we humans say we are like God Yahweh? Can we create life? No one has the power to say, "Flower, come forward," and it does!

We are not a duplicate of Yahweh. When others look at us, they may notice that we have been with Yahweh and that there is Kingdom power, but we do not have God-type traits where we are an exact duplicate. We cannot be everywhere at one time, nor do we know all; no human does.

And so, humans still think they can tell Satan, the demons with him, and the angels under Yahweh's care how to move on the earth.

### **SEND THEM WHERE KING JESUS SAYS**

Demons will not bend to humans. It looks like they will at first, but in all reality, demons will give the impression that they want to merge with your will. And yet, the demon's

goal is to place a host into position so that they can give a turning into that person in a permanent way. The demon wants to dwell in you and bring you into submission.

Satan and his demons use painful experiences to open spiritual doorways to come and dwell within. Once you hold on to a past way of hurt or influence, you give way to outside forces bringing an overruling to your way of Kingdom living. You say to Satan, "I don't want to let go of this hurt and pain. Let me use it to stay protected." But you do not see that not dealing with root issues can take a person into entangled forms of bondage, placing up spiritual walls when dealing with Yahweh and humans.

It should not be a chore to take moments throughout your day to talk with King Jesus. His power comes through the blood covenant with those who are citizens of the Kingdom of Yahweh. To be in the Kingdom will give an extension of Yahweh's way of dealing with angels, demons, and even conversing with Yahweh. Then, will a blood covenant through King Jesus move you into a position of having God traits? It is impossible to turn into a god in any way.

They say:

"You have the power to tell the devil whatever you feel is best. Don't even ask King Jesus for His opinion. Stomp that devil into the ground!"

Woah. What's going on here? Shouldn't we seek our God Yahweh concerning how to deal with demons? Where did we take on a leadership role to determine where to send demons? When facing a spiritual attack, go straight to the Great Holy Spirit as to what to do with that demon.

Let's say there is a spiritual battle going on, and you can feel that there is an opposition in the spirit realm. You want to deal with demons and enter battle warfare the right way. NEVER SPEAK TO ANY DEMON ON YOUR INITIATIVE! NEVER INITIATE A

CONVERSATION WITH A DEMON. Go to the Great Holy Spirit for wisdom as to how to proceed.

Suppose there is a demon yelling at you through their host, a human: WAIT FOR YAHWEH. Let His Spirit show you which way to go. And then, when Yahweh says, "Expel that demon," here is what you will tell that demon: "In the name of Jesus, leave this body, and go where King Jesus sends you." We give these sample words based on Yahweh's plan in leading you.

What if there is a form of spiritual opposition? There are situations when some people do not want the demons to leave! In this case, wait on Yahweh as to what to do next. Seek Yahweh's wisdom. The person may enjoy doing that sin or long for the spiritual interaction they take on. They may desire sexual cravings. They may like to delve into the spirit realm, having greater demonic power over others. And some need inner healing first before they can take on demon delivering.

A person will not lose free will upon entering the Kingdom of Yahweh. The human host can choose to keep the addiction, the sinful living. And with the human saying within, "I like the way I live. I don't want to lose this way of engagement," the minister needs to take a step back and state the obvious: this person wants the demon to stay.

And then the person may say, "Can I keep the pornography addiction and make the scary demons leave? Can I keep the ways of occultic actions yet take away the night terrors?" You can't have one part of spirit engagement under Satan's plan and live a life for Yahweh free from torment. You must choose one "master" —God or Satan. Only one can rule over your spiritual way.

To make a demon leave a host requires that the minister or lay member be in tune with Yahweh (knowing Yahweh's will). You cannot be dabbling in sin yourself and expect to expel demons. Your house (tent/body) must be swept clean. You must have clean hands

and a pure heart. Listen, your human friends may not be able to tell that you have demons, but guess what? A demon can tell if there is another demon present. They recognize each other quite well.

I use upper case words through these notes because these sayings may seem like simple points, yet people fall prey to Satan's plans in these areas, thinking that one way of delivering someone will work well for all. So, don't pretend to be in Yahweh's Kingdom when you are under Satan's plan. Come under Kingdom order, take in Yahweh's free gift of salvation, and turn. Then, AS YAHWEH WOULD LEAD, go forth and do Yahweh's will HIS WAY.

### **SENDING MONEY FOR PROPHECIES**

Do not sin against Yahweh with spiritual prostitution using natural wealth. How? When you say, "If I give money, maybe things will turn in my favor." Your heart is not in the right place to think there can be favor with having Yahweh's power based on the financial gift. Your financial seed will not heal you, nor will your "giving till it hurts" bring you delivering ways.

These so-called prophets and apostles are saying words similar to:

- "When the money clears, then you will receive your miracle."
- "You only need to give this amount so that you can get Yahweh to give you what you've been praying for."
- "You planted your last seed in bad soil. That minister could not help you. I know you gave before, but you also need to give me your money so I can break off those spiritual chains."

And on and on it goes. Ministers promise to help you: "If you only give what that person says is the right amount, strongholds will be broken off your life." They say, "Do you want to know God's plan for you? Sow a seed." But what if we look to Yahweh?

Another desperate one says:

"Oh, man of God. You guessed what I did this morning! Prophecy. I am going to get what I want. You gave me reassurance that you hear from God. You told me something that no one else knows."

Let's pause there. Witches and warlocks can give you detailed information concerning what is in your house, what you did, and who you take time to be with. Satan uses many outlets to relay information from one demon to another so that the "prophet" can tell you about a personal detail. Beware. Here is what Yahweh said about an up-and-coming self-labeled apostle.

## **"THE DEMONS ARE WORKING WITH HER"**

March 3, 2022

Early Morning

### **YAHWEH GIVES A CLEAR WARNING:**

Seersgate, can you tell them Yahweh will not make them pay for delivering ways? Can you tell the people that they can freely call on King Jesus to have freedom? Can we stand together and let them know what King Jesus came to do?

No demon will be able to overrule Kingdom order. When a demon does not leave the place it stays in, a spiritual law gives the demon territorial ruling. There is an open door, a way of entrance through viewing and engaging Satan's nature, hearing occultic plans, and entering into a sexual engagement with a transferring of demons.

You are well-rounded in speaking with Yahweh and the Angelic Guard, but many Kingdom workers are ignorant of spirit dealings.

How can a demon work with a human? Easy to answer. There is a covenant of a working order that tells lower demons that if they want to stay in that host, they better yield to the counting of expelling and to the false command to leave when the money hits the speaker's bank account.

"Hey demon, if you want to stay there, play dead and keep quiet. Let her give me the funds, and then when they get home, act up again. Let the charade carry on until there is no way for them to deal with us."

When you observe a platform that says to get healing or delivering ways from Yahweh requires giving a fee, be warned, you deal with a witch.

# WHAT DOES SATAN LOOK LIKE?

## ENTRY NOTE

April 17, 2023

4:34 p.m.

### **SEERSGATE IS LEADING:**

Yahweh asked me to give an entry note. What Yahweh refers to as the way Satan looks not only provides insight into his shape, shade of color, or if he has arms or legs; rather, the way Satan looks also encompasses how he carries himself, his nature, and how Satan should be perceived. How Satan looks deals with Satan's full presentation and the visage or coverings (false representations) he uses to trick people.

If you talk about Satan, you will not become demon-possessed. Learning how to wage war against the enemy of Yahweh is good. Satan uses other outlets and his workers to take in an understanding of your way. Just as Yahweh's angels can materialize and appear human in presentation, Satan can also do this, where you don't realize you are engaging Satan, a spirit being. Satan's authentic way is still a spirit being, but he is not the beautiful angel he once was, yet Satan can give that perception (false presentation) as if he still is.

Satan can materialize and take on a human look. Satan can present himself with a false visage as a very handsome man or angel. Satan is actually brownish gray, not red. He has no hair on his head in his fallen state. Satan has delegated power as great as an archangel yet lowered by Yahweh in strength and governing due to the fall from his original placement.

## THE DISCUSSION

April 15, 2023

2:19 p.m.

### **YAHWEH IS LEADING:**

Does anyone know what Satan looks like? I'm addressing humans, for demons were not always that way in presentation. Doesn't anybody know? Well, Satan doesn't have a long red tail, nor does he carry around a pitchfork. What else is inaccurate about Satan? It's misleading to think that Satan knows everything and that he can be everywhere all at once.

Satan is a created being, a lowercase god that once had archangel traits in their fullest placement. And yet, some of these traits are evident in how Satan deals with humans and how all the other demons submit to him. Demons do not fight against each other; they know their time is short. They war against humans because they hate Yahweh and would hate what Yahweh created. Demons hate humans and want to see all humans end up with the ending prepared for Satan and the other fallen angels.

You cannot negotiate with Satan and expect to win if you're using your human reasoning. If Satan has promised you that you will rule and reign with him, he has greatly deceived you. Satan will not share his kingdom with any human. And Satan even states to some of his workers (witches, warlocks, and brides) that if they do significant damage in the spirit realm and cause many to turn against Yahweh in how they live, they, these workers of Satan, would then have granted governing authority in eternity with Satan. But that is not true, for even Satan will be thrown into the lake of fire.

Who can rescue a person who has turned to Satan for their redemption? **Master Deceiver**, a high-ranking demon, has a hand in bringing a great crowd to join Satan in a covenant. Some say they sold their souls to Satan for riches and fame. But can you really sell your soul? In reality, those in a sinful state already operate in Satan's nature and kingdom, moving to be under a permanent curse of eternal separation from My Kingdom.

To "sell your soul" to some would be to pay homage and allegiance in spiritual chains of servitude. A form of covenant makes it where Satan says, "I will give you the world if you say and do what I will." And that means that if Satan says to offer him others through a blood sacrifice, it must be carried out. Because Satan not only threatens the worker's natural life but those they love and want to have kept safe.

## **THE LOOKS OF SATAN**

Satan looks like a human when he chooses to change his presentation. He can materialize at will. He can also have intercourse with humans. Satan can come and present himself with two arms and two legs. But his actual shade of coloring is brownish gray, a dead presentation, with no light coming through him.

Satan will also present himself as a very handsome man who comes to women in the evening to trick them into having intercourse, thinking they have the man of their dreams. And some would think that the act of intercourse with Satan was a dream, not knowing that he infiltrated and gave a rite of passage for a "strong man" governing within. Satan will also forcefully rape women while their husbands, under occultic practices, are under an order to watch. Satan will never be purposely nice to you. Satan pretends to care about you so he can use you, and he will never be your friend.

When meeting with Satan, when he meets with you and chooses not to have you deal with him directly, he is making it plain that your governing authority is not up to par. He

doesn't think you deserve his attention and would have you deal with one of his spirit helpers (a lower demon) instead of talking directly to him. The lower demon would be like a mediator. Sometimes, Satan will send a witch or warlock to spirit travel and spy to gain information for Satan's workers.

One day, Satan will bring you demons that will proposition you so they can come and enter you in exchange for fame or a display of power. This demonic indwelling is why a great deal would say they are damned to the pits of the Hell because they let a demon enter at will. The demon would say, "Don't you want that money?" "Don't you want to be great?" And more taunting. Some demons would come and present themselves like gentle creatures similar to your favorite pet or bug. Demons taking on the presentation of stuffed animals and cute critters make people think demons will be loving and can be their friend someday. That is very dangerous thinking. Satan will always be the enemy of the ones who belong to Yahweh.

Suppose you have viewed a very evil movie with a lot of violence: that movie will barely give a taste of Satan's actual nature. Even the vilest, cynical, torturous, and degrading movie will not accurately represent how Satan and the other demons operate. Even the most occultic film with demons giving manifestation will only produce a little taste.

Do not engage any demon by moving to go seeking after them. Certain movies and music conjure up demons, bringing a way to initiate a form of engagement. Some movies actually have rituals, and without your understanding of what those rituals produce in the spirit realm, you unknowingly state that through your outlet of entertainment, you are willing to let whatever demon is leading in governing rights come and take a leading nature within you. A movie by itself is not horrible in nature, but the root way, whatever nature is backed up or presented in that movie, takes the form of an influencer over the viewer.

Satan has delegated governing yet is still carrying great power surgings. No human has the power to bind Satan, nor would putting Satan “under your feet” be available in the power placement. You must come to Yahweh, submitting to Me. And then you would be able to have a chance to wage war against a powerful spirit. The best course of action for the Christian is to put on the whole armor of Yahweh and pray to Me for your daily delivering way.

Satan doesn't have a human nature, for he is not an actual human. Satan will steal from you and strip away your covenant with Yahweh if you allow him. You allow Satan to have territorial governing over your dirt clay (human body) when you approve of his nature to lead in daily living. You are saying you take “Satan's way” without actually saying the name “Satan” when viewing spiritual filth or any nature trait contrary to the nature of Yahweh. Now you speak, Seersgate.

### **SEERSGATE IS LEADING:**

I visited with Satan on many opportunities when Yahweh granted it. On a few occasions, I dealt with spiritual and physical abuse, being under torment for moments when I watched spiritual filth that included a conjuring of demons given in my entertaining the viewing of the nature of the demon named **Set (Seth)**. Yahweh told me there had to be a following through of judgments when I drank Satan's way. I have seen Satan in my prophet seer trait as if I saw him in a flashback; a vision of him came before my seer way.

This misunderstanding of Satan based on what the entertainment world offers is where a great deception comes in: people will think Satan will play with them and share his kingdom. I have heard Satan speak in diplomatic ways, not with the scary view that horror movies present. But even though Satan gave diplomatic sayings, there was no joy in dealing with him.

But the profane level of evil that the demon named **Pure Evil** would give is fueled by Satan. The vilest stripping away of human flesh is an easy form of torment from Pure Evil, the demon that carries the literal opposite nature of the Great Holy Spirit. Satan gives governing surgings into his demons; that's the level of power surging granted to a lowered archangel. **Murder**, another demon, accompanies Pure Evil. One brings natural death, and the other carries out stages of torment or physical torture before ending the person's life.

I have seen Satan appear as an angel. He looked beautiful and glowed with a typical angel presentation, but when he came closer, he showed his true way, with pupils being snake-looking. Satan appeared like one of Yahweh's angels from Heaven, not a fallen spirit. And if Yahweh did not state it was Satan, I would wonder about such a beautiful creature in presentation. But the telling tale was Satan's eyes, filled with evil. No demon gives love and peace in their visage, even when they appear in a regular angel presentation. I see Satan only when Yahweh brings him to deal with the message given or when Satan plans to listen in on a private meeting.

Yahweh has unmeasurable power, a power level greater than any demon. Satan will one day be thrown into the lake of fire and will forever be under great torment, and Yahweh will view it.

# Part Two

## YAHWEH IS SPIRIT

# WHAT IS GOD REALLY LIKE?

## SUSANNA OPENS THE DISCUSSION:

Which “god” are we referring to? I worship Yahweh, also known as I AM, from Exodus chapter 3. My reasoning for coming to you today is to build up your faith and to encourage you. When you know that there is a God out there who may or may not look or resemble what you hope, it shapes your perspective a little bit better.

I talk a lot about demons, Satan, and spiritual warfare, mainly because my training gave me those outlets so I can be aware of the enemy’s plan. Yahweh gives training to prepare us for what is ahead, and based on what requirement is needed, He will ensure you are ready ahead of time. He does not give you more than you can bear according to His written word.

No temptation has overtaken you that is not common to man. God is faithful, and He will not let you be tempted beyond your ability, but with the temptation He will also provide the way of escape, that you may be able to endure it.

—1 Corinthians 10:13 ESV

But that refers to temptation, for God will provide a way of escape. But what about knowing Yahweh, His nature, and how Yahweh engages the general public? Is Yahweh distant? Does He care when problems come?

We are not guaranteed wealth, health, or happiness. We are told to endure to the end (Matthew 24:13). We are told that we are more than conquerors in Christ (Romans 8:37-39). We are told we will be persecuted for our faith for even associating with Christ King Jesus (2 Corinthians 4:7-12, Matthew 10:22, John 15:19–20).

The world will persecute you, including those you may know—all for standing with King Jesus. Persecution is a part of the Christian walk and should be expected. But what about knowing God? What is He really like?

If you look in the Gospels (the first four books of the New Testament), you will gain an understanding of how Yahweh King Jesus walked the earth and how He carried out a three-year preparation phase and ministry for twelve disciples, preaching repentance and how the Kingdom is at hand. You will learn how the disciples worshipped Yahweh King Jesus, and King Jesus did not refuse that worship. They called Him the Son of God (Matthew 14:22-33, Matthew 16:13-20, John 20:24-29).

Pay careful attention to yourselves and to all the flock, in which the Holy Spirit has made you overseers, to care for the church of God, which He obtained with His own blood.

—Acts 20:28 ESV

Now, some would say, “That is not how it really looks because Jesus was born. How could He be God?” If you review the Hypostatic Union, there would be clarity as to how this is possible: King Jesus being both God and man, carrying two natures.

Here is how the “Got Questions” website breaks it down, and this is an accurate representation:

“Jesus’ two natures, human and divine, are inseparable. Jesus will forever be the God-man, fully God and fully human, two distinct natures in one Person. Jesus’ humanity and divinity are not mixed, but are united without loss of separate identity. Jesus sometimes operated with the limitations of humanity (John 4:6, 19:28) and other times in the power of His deity (John 11:43; Matthew 14:18-21). In both, Jesus’ actions were from His one Person. Jesus had two natures, but only one personality.”

Link: <https://www.gotquestions.org/hypostatic-union.html>

-----

## **SUSANNA CONTINUES:**

Now, to many people, King Jesus comes over as a loving God who accepts all sin and lets “love” take over, allowing people to do whatever they **feel** is the right way. Here is the problem with that: at the end of all things being settled, it is this very same God King Jesus, who will judge all, open the seals mentioned in Revelation, and come back and slay His enemies (2 Corinthians 5:10, Revelation 20:11-15, Revelation 5:1-14).

You may wonder, “Wow, how can there only be this fake kind of human love that social media, churches, and influencers have presented?” Maybe those in those groupings are afraid to speak up and say the entire news. One portion says God is only love, but only looking at the love side of Yahweh would lead you to think that He tolerates sinful living, which is not so.

Now, go back and look at how King Jesus is God. God always existed. Jesus referred to Himself as I AM in John 8:58, saying He placed Himself on the same level as the God mentioned in Exodus 3:13-15. Pay close attention. This same God existed in the days of Moses. This same God created all that is seen (Colossians 1:15-20). This same God is returning, and one day, He will place everything in order (Revelation 1:7, 1 Corinthians 15:24-28). King Jesus is more than a man. King Jesus always existed but as Yahweh (I AM). Yahweh carries that same anger that people hate to read about in the Old Testament from what they call a mean God (Leviticus 10:1-3).

What happens now? Why are you not being slain instantly for your irreverent actions? Why can you go around sinning heavily against Yahweh, blaspheming His name without

being instantly dealt with? Grace. What if grace is removed? We would all deal with the potent holiness of Yahweh.

What happens in today's church gatherings? They are not dealing with the potent surging from Yahweh, for if they did, there would be many dead found lying in the churches, for sin is rampant, but due to the grace factor, there is no true gauge of Yahweh's anger. The same God you hate to read about from days of old carries the same traits, the same nature, presence, and beautiful glory. He lets you speak your ill will and judgments against how He governs. He lets you live, gives you air to breathe, while in all this time, records everything you do.

He sees how you decree and declare and call yourself a god, but He will judge you for making yourself as a god, for you cannot create anything. Just as Satan fell for wanting to be like Yahweh, so will you, for there is only one True God. Yes, God is love. But God is also holy and righteous and must be revered. If you say you serve Yahweh, you must see that He wants to give you an enduring way to live in a fallen world and the strength to endure to the end.

Please stop telling Yahweh what you want in a commanding way. **Learn to pray** (Matthew 6:5-14 ESV). Petition Yahweh. Call out to Him in your time of need (Proverbs 3:5-6). Yahweh is not your genie, bringing your will forward. He hears you. And you say, "If God is real and really does care, why does He allow so much painful living to take way? If God loves me, doesn't He see that I am in pain? And if He is watching me in pain, how can He be so evil to sit there and do nothing about it?"

(14) Since then we have a great high priest who has passed through the heavens, Jesus, the Son of God, let us hold fast our confession. (15) For we do not have a high priest who is unable to sympathize with our weaknesses, but one who in every respect has been tempted as we are, yet without

sin. (16) Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need.

—Hebrews 4:14-16 ESV

### **YAHWEH IS SPEAKING:**

I want to speak now, servant. People do not know how to deal with painful ways from the nature of seeing it My way. They look at death as the ending when within My view, one in Christ comes home (2 Corinthians 5:6-8). Death to a true Kingdom citizen brings full healing. I reveal love differently than humans would. If I love My Son, would I allow Him to be killed? I knew there needed to be a Perfect Sacrifice for sinful living, a pure way to bring reconciliation between God and man. And I knew that King Jesus would rise from the dead. I already knew how the whole story would go.

It's not that I don't have power to overrule all actions on Earth, stop evil ones, or prevent bad things from happening. What if I told you that I see the ending and can look into eternity? What if I told you that I know of those who will take in My free salvation plan? People think that just because I already know would inherently remove free will. But what if there are both? What if both opposing church sides have partially correct answers? What if I do turn the heart of a human king any way I would will?

What if I also say to call upon the name of the Lord, and you will be saved? What if I say to go and share the Gospel? What's the point of that? Because they have to hear it. The Gospel must come. Look at how King Jesus preached. Was it just given to one? Weren't seeds pushed out all over? What if I am already building mansions? What if I say that there is a preparation taking place for those who are coming home to be with Me? This natural world will one day be no more. I can reshape human clay. I can rewrite My will. I can bring a new way, and I will!

One day, all tears will be wiped away. But these promises are for My children. All those who say they are Christian will not spend eternity with Me in My presence under this placement. Calling yourself one of Mine is not a guarantee. Your actual spiritual fruit (your way of living) must show that you are. You cannot contradict My nature and follow Satan's way and say that we walk together. You cannot worship Satan and Yahweh. Stand for one or the other.

### **THE GREAT HOLY SPIRIT IS SPEAKING DIRECTLY:**

I reveal the real truth, not what the people say is their way of viewing details. Yahweh has spoken. I am here on the earth and within every true Kingdom citizen, but can I keep you from sinning? No human leads a sinless life, for all sin and all fall short of the glory of God (Romans 3:21-26). Why would Yahweh be within you, a follower of Christ? To lead you and guide you into all truth (John 14:1-31).

### **KING JESUS SEALS IT:**

I will show more of My will in the coming season.

## GOOD NEWS MESSAGE

Note: King Jesus, a Member of the Godhead, referenced Himself as I AM in John 8:58.

Jesus is alive. Jesus died and rose again. Jesus is coming back. Jesus is the only way to Heaven. Jesus saves. Jesus is able to do everything, as mentioned in Luke 4. Jesus is King, and He has a Kingdom. The only way into this Kingdom is to be born again.

Jesus died on the cross and took every sin upon His body. By His stripes, we are healed. Jesus suffered greatly for us all so we could spend eternity with Him forever. God loved the world so much that He sent His Son, Jesus, to die in our place. God knew that we couldn't pay the price. The price was great, and we could never meet God's standards. That's why Jesus came.

Jesus is the Word made flesh. Jesus became a human being. Jesus walked this earth and experienced every form of pain and rejection upon Himself. He was rejected and despised. No one wanted to look upon Him, yet He did a great thing for us: He reconciled us to the Father.

Because of what Jesus did, we no longer have to be separated from God. Jesus died so we could have fellowship with the Father. Jesus died so that we could have life. Through Jesus, we have eternal life. Through Jesus, we have forgiveness of sin. Those who believe in Jesus will never really die because Jesus is the One who gives life. Jesus gives life to all who believe in Him. And that eternal life begins the moment you receive Him into your heart.

You don't have to do good works or deeds to get into Heaven. All you have to do is believe in Jesus. Call upon His name. Ask Him to save you. Ask Him to deliver you. He is here. His Spirit is here to help you. Call upon the name of the Lord. Call upon Jesus, and you will be saved.

If you confess with your mouth that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. You will have eternal life. You will become a child of God, a citizen in God's Kingdom. God's Kingdom is eternal. God's Kingdom is here now and is available to all who receive Jesus as Lord and Savior. Jesus is the only way to Heaven. There is no other name under Heaven by which we can be saved.

One day, Jesus will return. He is coming back again. And one day, He will rule and reign from this earth. This message is not to scare you, dear one. This message is to let you know that time is short, and Christ's return is soon. Jesus will return again. I say "again" because He came once as a baby, but when He comes the second time, He will come as Conquering King.

Now is the time to be ready, dear friend. Now is the time to listen. Now is the time. Don't harden your heart. Don't rebel against God. Today is the day of salvation. Take a moment right now and yield yourself to the Lord. Give Him your life. Surrender yourself to Him. He is here for you today. Allow Him to do the deep work of healing—healing your heart and cleansing you from all sin. He is able. He is here. Let's pray together:

*Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.*

Dear brothers and sisters, now that you have prayed this prayer and received Jesus into your heart, by faith, you are a new creation in Christ. You are no longer the same. You are no longer that person you were a few minutes ago. Jesus is now in your heart. What's

wonderful is that His Spirit is with you. Yes, the Holy Spirit is with you. He will lead and guide you, showing you the way through His truth that comes from God.

Now, there are a few things that you must do: Regularly read the Word of God. Get a Bible and begin in the Book of John. Read and study the Word of God because that will transform your mind. Another thing: spend time praying to God every day. Learn to listen, as well. This is fellowship. This is how you learn to hear His voice—by spending time with Him. He wants to talk to you, so you must learn to listen too.

Stay away from those things that dishonor Christ. Ask the Holy Spirit to help you find a place where you can learn more about Jesus.

I am so glad we had this time together. I am so glad you gave your life to the Lord. You will never be the same. Grow in the grace and knowledge of our Lord and Savior, Jesus Christ.

## WHAT JESUS CAME TO DO

(18) "The Spirit of the LORD *is* upon Me, because He has anointed Me to preach the gospel to *the* poor; He has sent Me to heal the brokenhearted, to proclaim liberty to *the* captives and recovery of sight to *the* blind, to set at liberty those who are oppressed; (19) to proclaim the acceptable year of the LORD."

—Luke 4:18-19 NKJV

From those Scriptures, we learn that Jesus came to:

- preach the Gospel to the poor
- heal the brokenhearted
- proclaim liberty to the captives
- give recovery of sight to the blind
- set at liberty those who are oppressed
- proclaim the acceptable year of the Lord

Let's talk about each point mentioned.

### **1 – JESUS CAME TO PREACH THE GOSPEL TO THE POOR**

- It's concerning becoming an heir of God and a joint heir with Christ.
- It also means to be born again.
- The good news is that you could inherit so much as a child of God, a citizen of God's Kingdom.
- God does not pay by earthly standards; He pays by Kingdom standards. But the only way to benefit from the Kingdom is to become a part of the Kingdom.
- This is true riches: being a part of the Kingdom, being a citizen of God's Kingdom.

- The Kingdom is supernatural, and a lot of what happens in the supernatural manifests in the natural.
- It's the same thing with sowing and reaping: People want to be blessed, yet they disobey God's laws; they are interconnected.
- Physically giving your tithes and offerings keeps you from being cursed.

Malachi 3:8-12 NKJV says,

(8) "Will a man rob God?

Yet you have robbed Me!

But you say,

'In what way have we robbed You?'

In tithes and offerings.

(9) You are cursed with a curse,

For you have robbed Me,

Even this whole nation.

(10) Bring all the tithes into the storehouse,

That there may be food in My house,

And try Me now in this,"

Says the Lord of hosts,

"If I will not open for you the windows of heaven

And pour out for you such blessing

That there will not be room enough to receive it.

(11) "And I will rebuke the devourer for your sakes,

So that he will not destroy the fruit of your ground,

Nor shall the vine fail to bear fruit for you in the field,"

Says the Lord of hosts;

(12) "And all nations will call you blessed,

For you will be a delightful land,"

Says the Lord of hosts.

## **A note from Yahweh after the document came forward.**

December 5, 2024

9:16 p.m.

### **YAHWEH SAYS IT:**

There will be a longing for many healing rooms with Yahweh pushing great power, and to maintain these healing rooms, Yahweh will request a separate gift not under the old covenant but a new way. And this gift will be a tithe of your income if you use the healing room. Not for the Church way but for the Kingdom plan of a healing room getting set up is the tithe plan in this document.

...

- God is a covenant God, and He cannot go against His own law. This is how the natural and the supernatural become interconnected.
- It's the same thing when taking communion: You physically put the bread in your mouth and drink the wine, yet if your heart is not right and there's sin in your life, it could lead to sickness, or as mentioned, death.
- The same is the other way: If you stand before Jesus to commune with Him and remember Him through communion with clean hands and a pure heart, you could receive great healing.
- Do you understand how the natural and the supernatural are interconnected like this? This is why faith is shown by works.

James 2:14-20 NLT says,

(14) What good is it, dear brothers and sisters, if you say you have faith but don't show it by your actions? Can that kind of faith save anyone? (15) Suppose you see a brother or sister who has no food or clothing, (16) and you say, "Good-bye and have a good day; stay warm and eat well"—but then you don't give that person any food or clothing. What good does that do? (17) So you see, faith by itself isn't enough. Unless it produces good deeds, it is dead and useless. (18) Now someone may argue, "Some people have faith; others have good deeds." But I say, "How can you show me your faith if you don't have good deeds? I will show you my faith by my good deeds." (19) You say you have faith, for you believe that there is one God. Good for you! Even the demons believe this, and they tremble in terror. (20) How foolish! Can't you see that faith without good deeds is useless?

James 2:26 NLT says,

Just as the body is dead without breath, so also faith is dead without good works.

- This is the same for those who are poor: You must rely on Jesus for healing, for wealth, for full resources, because there are no limits in God's Kingdom.
- God owns everything in His Kingdom, and for the poor to have access to that, they must come into the Kingdom. You must be born again.

## 2 – JESUS CAME TO HEAL THE BROKENHEARTED

Jesus said in John 16:33 NLT, “I have told you all this so that you may have peace in Me. Here on earth you will have many trials and sorrows. But take heart, because I have overcome the world.”

- Take heart. Jesus overcame the world.
- Those of you who are in Jesus do not have to let your circumstances overwhelm you.
- When the storms of life come, Jesus is the peace that sustains you.
- You don’t have to live in your pains or sorrows because the joy of the Lord is your strength.
- Through Jesus, you can do all things.

Concerning Jesus, Isaiah 53:5 NLT says,

But He was pierced for our rebellion, crushed for our sins. He was beaten so we could be whole. He was whipped so we could be healed.

- Jesus can bring full healing to body, soul, and spirit.
- You don’t have to experience any type of woundedness continually because God’s power is able to break the cycle.
- God’s power is able to bring healing to the heart from past wounds.
- This is restoration—the healing of the heart that comes from Jesus.

Jesus said in John 7:38 NLT, “Anyone who believes in Me may come and drink! For the Scriptures declare, ‘Rivers of living water will flow from his heart.’”

- Jesus removes the pain of rejection and fills the heart with His love, with His Spirit.
- Jesus is able to fix, mend, restore, and make new.
- This is the new heart that Jesus wants to give to those who come to Him.

- This is where you see Jesus as your First Love, where there is intimacy, where you and Jesus are one.

From a partial reading of Jeremiah 31:3 NIV, the Lord says, "... `I have loved you with an everlasting love; I have drawn you with unfailing kindness.'"

### **3 – JESUS CAME TO PROCLAIM LIBERTY TO THE CAPTIVES**

- Anybody who is in sin is a slave to sin.

From John 8:34-36 NLT:

(34) Jesus replied, "I tell you the truth, everyone who sins is a slave of sin.

(35) A slave is not a permanent member of the family, but a son is part of the family forever. (36) So if the Son sets you free, you are truly free.

- Those who are in bondage to sin are also held captive by the sinful nature, where they walk in the flesh and not in the Spirit. This is where Satan has a grip on you, where you are in various addictions.
- Only the power of Jesus can set you free.
- People can only be free through Jesus, not from doing a ritual. It has to be broken in the spirit realm because that is what is bringing the bondage.
- Those who are not in Christ are already captive to sin, and you cannot be free unless you receive Jesus into your heart as Lord and Savior.
- Only the power of Jesus—the Spirit of Christ—can break off demonic strongholds. It's not possible any other way because only God's Spirit is greater than all other spirits.
- Jesus created all spirits, and at the name of Jesus, all created beings must bow.
- This is where true freedom comes in—through Jesus Christ, by His Spirit.

Romans 8:1-2 NLT says,

- (1) So now there is no condemnation for those who belong to Christ Jesus.
- (2) And because you belong to Him, the power of the life-giving Spirit has freed you from the power of sin that leads to death.

#### **4 – JESUS CAME TO GIVE RECOVERY OF SIGHT TO THE BLIND**

- The blind are those who are being led by their souls; they have not been spiritually born again.
- This is where you rely on your own knowledge to understand, and you try to discern spiritual things with the natural mind.
- This is where you try to discern the Word with your natural mind as well. You are not gaining God's thoughts; you do not hear from Jesus; you are not connected.

First Corinthians 2:11-14 NLT says,

(11) No one can know a person's thoughts except that person's own spirit, and no one can know God's thoughts except God's own Spirit. (12) And we have received God's Spirit (not the world's spirit), so we can know the wonderful things God has freely given us. (13) When we tell you these things, we do not use words that come from human wisdom. Instead, we speak words given to us by the Spirit, using the Spirit's words to explain spiritual truths. (14) But people who aren't spiritual can't receive these truths from God's Spirit. It all sounds foolish to them and they can't understand it, for only those who are spiritual can understand what the Spirit means.

In John 15:5 NLT, Jesus said,

“Yes, I am the Vine; you are the branches. Those who remain in Me, and I in them, will produce much fruit. For apart from Me you can do nothing.”

- You are living a lie if you believe you can see, and you are not born again.

From John 9:39 AMP,

Then Jesus said, “I came into this world for judgment [to separate those who believe in Me from those who reject Me—to declare judgment on those who choose to be separated from God], so that the sightless would see, and those who see would become blind.”

- You cannot see anything of eternal value if you are spiritually dead.
- To see, you must be born again.

Jesus said in John 3:3 NLT, “...I tell you the truth, unless you are born again, you cannot see the Kingdom of God.”

## **5 – JESUS CAME TO SET AT LIBERTY THOSE WHO ARE OPPRESSED**

- You are under various curses when you no longer have to be.
- Jesus came to set you free from the yoke of the enemy. His yoke is easy, and His burden is light.
- You live under clouds of despair and hopelessness, but you no longer have to if you come to Jesus.
- You look for peace everywhere else when you can come to Jesus for peace. You look for satisfaction from worldly pleasures, yet you are still miserable. It’s because only Jesus can fill the void.

- God's eternal life is the hope that you need.

Jesus said in John 10:10 NCV, "A thief comes to steal and kill and destroy, but I came to give life—life in all its fullness."

Jesus also said, "I am leaving you with a gift—peace of mind and heart. And the peace I give is a gift the world cannot give. So don't be troubled or afraid" (John 14:27 NLT).

- God's Kingdom operates differently than the world's system.
- You can move in freedom from oppression in God's Kingdom than under the world's system.
- God's Kingdom is not one of bondage and oppression.

Romans 14:17 NLT says, "For the Kingdom of God is not a matter of what we eat or drink, but of living a life of goodness and peace and joy in the Holy Spirit."

- God's Spirit gives life.
- There is liberty in Jesus through His Spirit. And you can experience this freedom that He offers when you believe in Jesus.
- Even when things "come down on you" in the natural realm, you don't have to despair because Jesus is with you. His Spirit will lead you.

## **6 – JESUS CAME TO PROCLAIM THE ACCEPTABLE YEAR OF THE LORD**

- Jesus came so that all may live.

John 3:16-17 NLT says,

(16) "For this is how God loved the world: He gave His one and only Son, so that everyone who believes in Him will not perish but have eternal life.

(17) God sent His Son into the world not to judge the world, but to save the world through Him.”

- Those who believe in Jesus will never really die.
- Those who believe in Jesus will receive eternal life.

Jesus said in John 11:25-26 NASB, “(25) ...I am the resurrection and the life; the one who believes in Me will live, even if he dies, (26) and everyone who lives and believes in Me will never die. Do you believe this?”

- Those who believe in Jesus will be reconciled back to the Father.

Colossians 1:19-20 NLT says, “For God in all His fullness was pleased to live in Christ, and through Him God reconciled everything to Himself. He made peace with everything in Heaven and on Earth by means of Christ’s blood on the cross.”

Jesus said, “(39) You search the Scriptures because you think they give you eternal life. But the Scriptures point to Me! (40) Yet you refuse to come to Me to receive this life” (John 5:39-40 NLT).

- Those who believe in Jesus will be able to see the Kingdom of Heaven.
- Those who believe in Jesus will have everything the Father has offered to those who are His children.
- Eternal life begins now. Eternal life begins now while on Earth for all those who receive Jesus into their hearts as Lord and Savior.
- This is the Good News! Jesus came so that all may have life.
- God’s kind of life is eternal life.
- Those of you who are in Jesus will live forever; you are citizens of Heaven.
- This is the Good News—that salvation is available to all who believe in Jesus, God’s Son.

- Salvation is available now.

Romans 10:9-10 NLT says,

(9) If you openly declare that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. (10) For it is by believing in your heart that you are made right with God, and it is by openly declaring your faith that you are saved.

- The Kingdom of Heaven is available now, and if anyone wants to come into this Kingdom, Jesus is the way you must go. Jesus is the only Way. There are no exceptions.

Jesus said, "... `I am the Way, the Truth, and the Life. No one can come to the Father except through Me'" (John 14:6 NLT).

- It was by His blood. His blood made it possible. Without the shedding of blood, there is no remission for sin. But Jesus paid the price.

Hebrews 9:11-14 NCV tells us:

(11) But when Christ came as the high priest of the good things we now have, He entered the greater and more perfect tent. It is not made by humans and does not belong to this world. (12) Christ entered the Most Holy Place only once—and for all time. He did not take with Him the blood of goats and calves. His sacrifice was His own blood, and by it He set us free from sin forever. (13) The blood of goats and bulls and the ashes of a cow are sprinkled on the people who are unclean, and this makes their bodies clean again. (14) How much more is done by the blood of Christ. He offered Himself through the eternal Spirit as a perfect sacrifice to God. His

blood will make our consciences pure from useless acts so we may serve the living God.

- And this is the Good News: The price is paid in full, and eternal life is available to all who receive Jesus.

Romans 3:22-31 NLT says,

(22) We are made right with God by placing our faith in Jesus Christ. And this is true for everyone who believes, no matter who we are. (23) For everyone has sinned; we all fall short of God's glorious standard. (24) Yet God, in His grace, freely makes us right in His sight. He did this through Christ Jesus when He freed us from the penalty for our sins. (25) For God presented Jesus as the sacrifice for sin. People are made right with God when they believe that Jesus sacrificed His life, shedding His blood. This sacrifice shows that God was being fair when He held back and did not punish those who sinned in times past, (26) for He was looking ahead and including them in what He would do in this present time. God did this to demonstrate His righteousness, for He Himself is fair and just, and He makes sinners right in His sight when they believe in Jesus. (27) Can we boast, then, that we have done anything to be accepted by God? No, because our acquittal is not based on obeying the law. It is based on faith. (28) So we are made right with God through faith and not by obeying the law. (29) After all, is God the God of the Jews only? Isn't He also the God of the Gentiles? Of course He is. (30) There is only one God, and He makes people right with Himself only by faith, whether they are Jews or Gentiles. (31) Well then, if we emphasize faith, does this mean that we can forget about the law? Of course not! In fact, only when we have faith do we truly fulfill the law.

I want to give you an opportunity to give your heart to the Lord, to become a child of God, a citizen in God's Kingdom. Take a moment right now and yield yourself to the Lord. Allow Him to do the deep work of healing—healing your heart and cleaning you from all sin. Let's pray together.

*Dear Jesus. I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.*

Dear brothers and sisters, now that you have prayed this prayer and received Jesus into your heart, by faith, you are now a new creation in Christ. You are no longer the same. You are no longer that person you were a few minutes ago; Jesus is now in your heart. What's wonderful is that His Spirit is with you. Yes, the Holy Spirit is with you. He will lead you and guide you, showing you the way through His truth that comes from God. Please share what you have learned today with others. Tell them of God's Good News—what Jesus came to do, as mentioned in Luke 4:18-19. Grow in the grace and knowledge of our Lord and Savior, Jesus Christ.

### **AN EXTRA NOTE: TITHES AND OFFERINGS**

We are no longer under the Law. But let's take a moment to note how giving an offering or a tithe can be seen to be how a person honored Yahweh. From Abel's offering (ref. Genesis 4:3-4), Jacob's verbal tithe vow (ref. Genesis 28:20-22), even to Abraham through covenants in Yahweh's service (prophet covenant: Genesis 20; friendship covenant: Genesis 18). Also, review Hebrews 7:1-28 to see how Christ is our High Priest.

Throughout Scripture, to honor Yahweh was often manifested through a substance of giving.

(6) Remember this—a farmer who plants only a few seeds will get a small crop. But the one who plants generously will get a generous crop. (7) You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. "For God loves a person who gives cheerfully."

—2 Corinthians 9:6-7 NLT

But in the Church era, only the standing of giving an offering is required. But an individual can give a tithe vow and not be under the Law. **Give how Yahweh says to**, and stay away from attempting to gain wealth, health, and a version of prosperity based on the amount given.

### **YAHWEH SAYS:**

Servant, was Abraham's giving to Melchizedek given in the form of money, or was it a tenth of all, including his spoil? Understanding giving is where the people have confusion. King Jesus is the High Priest. Give ten percent or more of all, including time.

(1) For this Melchizedek, king of Salem, priest of the Most High God, met Abraham as he returned from the slaughter of the kings and blessed him, (2) and Abraham gave him a tenth of all [the spoil]. He is, first of all, by the translation of his name, king of righteousness, and then he is also king of Salem, which means king of peace.

—Hebrews 7:1-2 AMP

## YAHWEH CONTINUES:

It's not just about money; it's about communion.

(23) The [former successive line of] priests, on the one hand, existed in greater numbers because they were each prevented by death from continuing [perpetually in office]; (24) but, on the other hand, Jesus holds His priesthood permanently and without change, because He lives on forever. (25) Therefore He is able also to save forever (completely, perfectly, for eternity) those who come to God through Him, since He always lives to intercede and intervene on their behalf [with God].

(26) It was fitting for us to have such a High Priest [perfectly adapted to our needs], holy, blameless, unstained [by sin], separated from sinners and exalted higher than the heavens; (27) who has no day by day need, like those high priests, to offer sacrifices, first of all for his own [personal] sins and then for those of the people, because He [met all the requirements and] did this once for all when He offered up Himself [as a willing sacrifice]. (28) For the Law appoints men as high priests who are weak [frail, sinful, dying men], but the word of the oath [of God], which came after [the institution of] the Law, permanently appoints [as priest] a Son who has been made perfect forever.

—Hebrews 7:23-28 AMP

# Part Three

## ABOUT SUSANNA

# THE FIRST TIME I HEARD YAHWEH

## SEERSGATE IS LEADING:

I remember the first time I heard the voice of the Great Holy Spirit. I was a young teenager, attending a church service at a sister church. The church service was going just like any way of services, and I honestly did not think there would be any hearing in spiritual details.

In my teenage years, we would go where a parent made us go and would be there to hold up the church seat, not to hope for supernatural adventures. I craved a real encounter with Yahweh from a young age, but there was nothing new, just the same ways in tradition. And it was in my heart that maybe this is what church is.

While listening to the lady preacher, there was an interruption. It seemed as if someone came and whispered in my ear. But I did not have to tell a person to speak louder over the preacher or her church worship. And there were no humans near, standing over me, saying anything directly to me. So, I just ignored the Person speaking. I did not know what God would sound like, and the Voice wanted me to do a task without proof of the actual plan being real.

“Go over there to the pastor and tell her that I heard her. I will give her the plan that she wants to go forward with.”

I thought, *there is no way I am going over to tell a preacher, who would seem untouchable to a little teenager such as me, that I heard something.*

“Tell her that We can feel her pain and that I will make it all better.”

I heard that request from the invisible Person and took a long look at the seemingly happy preacher. I sat there and thought of how I could not feel her pain. I saw her appearing so happy and filled with praise. This Voice would stay, prodding, needing me to give the message.

But what message would I give from an invisible Person? Can Yahweh see humans in their most transparent way, even with fake smiles and happy pretending? Can Yahweh know the heart of a person?

The Voice would not stop. I ignored what I heard and sat right there.

“I’m still here. We are telling you a real message. Just be obedient.”

The frustration of not getting the Voice to leave was overwhelming. I was arguing with Him, staring at the preacher, seeing that His message contradicted her demeanor.

I walked over to the preacher when there was an opportunity. And I told her:

“I was told to tell you this. God said, He heard your prayers, and He sees your pain. Everything will be okay.”

Suddenly, she started shouting hysterically. The pastor was already a loud, boisterous person; I did not think she could get any louder. I hoped she kept what I said a private way, but, yes, that did not happen. She raised her head after taking an in-depth view of how I stared at her and said, “God, I’ve been waiting. Thank You for giving me the answer!” And then she hugged me and went on with her worship service.

I went back to my seat, puzzled, confused. I wondered how many times Yahweh would actually say anything, and I would ignore Him. Over the thirty years since that first activation detail, I have given others their messages that were not always received. And

I have learned that every young prophet must know God's will and stand with Him. Learn to wait on the way of the Great Holy Spirit. Do not assume He says anything. Take a moment to listen; active hearing. Do this daily.

Prayer is not the part of bowing your head and closing your eyes. Prayer is to meet with Yahweh. This action is prayer, praying without ceasing:

(16) Rejoice always, (17) pray without ceasing, (18) give thanks in all circumstances; for this is the will of God in Christ Jesus for you.

—1 Thessalonians 5:16-18 ESV

But do not be upset if you are not able to hear Yahweh as those in Scripture. I have learned that prophets tend to hear Yahweh's voice a certain way so that the message will go out with accuracy. Not the gift of prophecy I refer to but of office work as a prophet of Yahweh.

But know that you can get clear instructions through the Word of Yahweh!

And this is how I talk with Yahweh in the store, at home, and while running errands. I speak to Yahweh the same way He engaged me those decades ago in a small church in Virginia. And I am still learning to repeat what He says concerning a will and not include my opinion.

Give prayer a try. Start by sharing your thoughts, petitions, and real feelings with King Jesus. Honor Him and give Him authentic worship—transparent communion. Actively engage King Jesus. You may not hear Yahweh the same way others do but know that Yahweh loves you and wants to hear from you.

# AUTOMATIC WRITING VERSUS CONVERSATIONS

May 2, 2024

2:08 p.m.

## **SEERSGATE BEGINS:**

I want to help you understand how I engage Yahweh. When I talk with Yahweh, we converse as if sitting beside each other. He is spirit, yet He speaks as if He were sitting in the room with me. Yahweh says words and tells me what to put on paper, and He gives markers (start and end placements) as to when a message begins and ends versus when I write down entries from general conversations.

When I talk with Yahweh, He doesn't control my body or take away my thoughts and processing. I can ask Yahweh questions, and Yahweh will give His thoughts.

Some say they hear from Yahweh when, in actuality, they use a ritual known as Automatic Writing, which involves using demons to gain any spiritual gauging. Automatic writing reveals itself when a person is dictating a plan or writing down words, and a demon spirit is given permission to take over and cause the writer to lose free will, empty their mind, or blank out. This demon spirit can make a person unaware of their surroundings and unable to recall what they hear or write.

Sometimes, when a demon takes over in automatic writing, it can also let the person remain aware of their surroundings, but it takes over the writer's hand, moves it for them, and writes down words on paper. Those who use automatic writing say it feels like a "force" is moving their hand for them.

But Yahweh does not engage me in this manner of taking over my way. Yahweh does not take over the functions of my hand or mind when conversing with Him. I retain the

use of my hand and remain aware of my surroundings, and we converse with active thinking and reasoning. Yahweh speaks to me as if He sits next to me. Yahweh trained me this way since I was a young teenager. Over the years, off and on, He spoke, but later, after entering the training plan for the spiritual cave, Yahweh gave longer talks and engaged in more profound ways of yielding the spirit realm for me to adjust to.

Now in this way of preparation for world-level work, Yahweh speaks to me in the daytime and evening, through visions and dreams, while running errands or conversing with others. Yahweh does not wait for me to play "soaking/worship music" or get in a specific "space of quiet and separation." Yahweh doesn't make me speak louder or close my eyes when relaying His will. Due to the covenant work and the message that He places within me to give, we converse back and forth in this way of active engagement in real-time, having regular conversations.

Yahweh sometimes pauses while He says His will so that I can keep up. Since Yahweh talks anytime, day or night, I have fallen asleep in meetings with Him, and when He wakes me, I apologize, and we continue the conversation where we left off. Yahweh brings forward this way of engagement so that there will be a surging in following through with Yahweh's plan to preach the Kingdom and prepare the world for the return of Christ. This way of engagement continues to help me complete His work through His covenant.

### **YAHWEH SAYS IT:**

Now, let Me speak, servant. We trained a real prophet who will not be able to sit under a local church house, and due to this world-level message, you must stay in a way to hear Me in one-on-one, face-to-face meetings. And it is Yahweh who will bring proof to all Yahweh gives you to say. Yahweh can change a word given and break it down into an easier non-prophet placement so that the general reader will know what Yahweh says.

This way of talking with Yahweh is not normal. You have a calling that requires this way of engagement. The way we converse is not a common element presented to the Church because the Church carries a blanket covering that hinders hearing Yahweh engage them as if living in the days of prophets of old. The early church apostles did not operate the Church using prophet traits, but Yahweh's prophet office did not go away. And with a season of quiet, there will be that appearance as if Yahweh no longer engages or can push out prophet traits.

But Revelation isn't centered on hearing the Church people. Revelation is a Book of prophet placement, bringing major judgments upon the earth. And there is a power placement of how judgments will pour out that requires an active office in prophet traits from Yahweh.

# MY TESTIMONY

## INTRO NOTE

I am trained as a prophet of old to deal with Yahweh as if in an Old Testament way. The books of 1 and 2 Kings give examples of how those prophets dealt with Yahweh without the sugarcoating and the soft fluffy words of affirmation every moment. When I first started training in a more class-like setting, Yahweh more often used phrases like “you can do it,” “don’t get weary,” “I am with you,” “you are My daughter,” and so on. Once the training shifted into the Cave training of hidden away and learning to deal with rejection, Yahweh set certain restrictions in place to not take Yahweh lightly and be too comfortable.

Then Yahweh started calling me “servant.” At first, I was so upset and offended because I thought that that meant I was worth nothing. But then, He made me see that He shifted me from just being a daughter in the Kingdom to an office official who would receive tasks and assignments on official orders from the King. It’s similar to a family situation: King Jesus was the Son of God on Earth, and His natural mother (Mary) had to see Him as the Son of God, not just her son who came out of her womb. And Mary would not be able to attain eternal life if she could not take in King Jesus as the Great God I AM.

So, when Yahweh deals with me, He gives me difficult lessons and greater levels of responsibility in His Kingdom work. From battle training to spiritual warfare and studies on engagement, He gives harsh training to prepare me for whatever may come. He doesn’t want me unprepared. Cuddling me will not prepare me to deal with any warfare. Just as the general in the military should carry specific disciplines and receive secrets or harsher punishments than a new military member would, Yahweh takes me through stages of training that make it appear that He is a mean God. In all actuality, because of the training level, restrictions, and establishment of discipline, Yahweh trusts me to do

what He says and pushes greater surgings from Him that are dangerous to the regular untrained and undisciplined Christian.

## THE TESTIMONY

The abuse started at a very young age. I was no more than the age of six when the demon entered me. This demon would be the first of many due to how I would live. The first man to touch me in a plan that led to a demon living within did not care that I was a young child. My parents were Christians, yet I could not say what had happened. The details of my teenage years were no different. I endured physical, sexual, and emotional abuse, and I used school activities to hide the pain. The amazing detail that I will speak about is that the Great Holy Spirit was with me during these circumstances. Yahweh would call out to me through various situations. He would allow me to see King Jesus in visions.

I had a hunger for God even though life was hard. I knew there was more than living life like this, but I didn't know what I needed to do to connect with the Creator of the world. Deep within, I thought I wasn't good enough for what God would want me to do. I thought He would not want me due to being mistreated and abused. I just didn't know who would understand this without judging me. I needed love, but I didn't know what this love would look like even if it were to come.

I started to lose my Christian way of living, and this way of sinful living took a deep hold within. I could not tell of this way of living due to not wanting others to reject me. I became addicted to pornography and had stronger cravings for sexual details that I will not mention. There were many cravings within I could not handle to the point where I began to act on them. I became a predator, wanting to take and control all who would dare try to intimidate me. I did not want to be hurt anymore, so I used my body or the words I would say as a weapon to manipulate—to get what I wanted at that moment.

I didn't care about the problems I caused. I had filled my life with occultic things and didn't know it. I filled my life with perversion and excused it as a way to pursue what I craved. I did my best in my fleshly way of living to make me believe I was worth something. The price was high as the dreams that I pursued were harder to reach. I was on a path of death and didn't think it could happen to me because I once knew King Jesus. I thought He would understand.

I didn't know that Yahweh would still love me, where He would think I was worth something even when I lived apart from Him. I knew of the stories from the Bible. I knew of the "Jesus Loves Me" songs, but this was different in my heart. I needed true power from God Himself to shake me to the core of my being, and this is what He would do in His sovereign way:

Through a dream, the Lord spoke and gave me a great warning of my life if I chose to stay on the way of living that I entertained. He gave me a choice at that time, yet I still think that I would not have embraced His will if He didn't come and bring the second dream, which He did. The dreams felt like reality. I was terrified of the warnings and yet grateful to Yahweh for them.

Now, I grew up hoping the love I had for God would overturn the memories from what I endured as a child, but it did not. I journaled my hopes and frustrations. In transparency, I found it easier to write my thoughts and prayers to Yahweh, and over time, I felt comfort in knowing that He listened.

Yahweh didn't leave me when I was angry or depressed. The hurt, the bitterness, the youth taken—I had to give these details to Yahweh so He could bring full healing. By the power of the Great Holy Spirit, I learned how to release the pain of those details over time.

So much has changed since that day. But Yahweh has been constant in His love. He gives tests and gauges My spiritual growth, yet He shows me times of refreshing when needed. I can always talk with Him, knowing that it doesn't matter what time of day or night. And throughout my learning, I can be sure of His purpose: We will work towards preaching the Kingdom and preparing the world for the return of Christ. There always seems like there is time. But there will one day be an ending to this living. Why not taste Yahweh's Kingdom now? He can help you in your time of painful living. And even if you have perfect friends and family with you, what are they able to protect you with? Can any other offer eternal living? Here is what my God King Jesus says:

(1) "Do not let your heart be troubled; believe in God, believe also in Me. (2) In My Father's house are many rooms; if *that* were not *so*, I would have told you, because I am going *there* to prepare a place for you. (3) And if I go and prepare a place for you, I am coming again and will take you to Myself, so that where I am, *there* you also will be. (4) And you know the way where I am going." (5) Thomas said to Him, "Lord, we do not know where You are going; how do we know the way?" (6) Jesus said to him, "I am the way, and the truth, and the life; no one comes to the Father except through Me.

—John 14:1-6 NASB

Come and drink the Living Water He offers this day. If you do, there will be immediate Kingdom citizenship.

(9) If you openly declare that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. (10) For it is by believing in your heart that you are made right with God, and it is by openly declaring your faith that you are saved.

—Romans 10:9-10 NLT

## THE PRAYER OF SALVATION

*Dear Jesus, I ask You to forgive me of all of my sins. I ask You to save me. I have turned my back on You, but now I come to You. Please cleanse me from all unrighteousness. Please heal me. Please heal me in every area of my life. Most importantly, please come to live within me. I want to know You. I want to have a relationship with You. I am Yours. I am Yours forever, my God, my King, and I choose to serve You for the rest of my days. Thank You, Lord, for dying for me and for saving me. I receive all that You have for me. I look forward to being with You forever. Amen.*
