

"SHOULD I DO IT?" —YAHWEH

YAHWEH LEADS IT:

Would it make everyone happy if I did what I wanted? Can't Yahweh do whatever He wants in Heaven and on Earth? Who would understand why I think about why I would do this? Who would embrace why I ponder My plan? If I do what I want, My actions will end up reshaping America, and I will implement a new president.

Should I do what I want, servant? Would the voters blame you for speaking these words ahead of time? But could anybody bend Yahweh? Could anybody say a death sentence and have it manifest? Yes. But is Yahweh asking for this? Yahweh is stating that He does not want this way of governing. I, Yahweh, do not want the current nation you dwell in to enter destitution—not yet. For one day, the antichrist will come out.

But what does Yahweh want right now, Seersgate? The people must see. What must they come to realize? I never wanted Trump in office, not even in the first way. Trump is not My David, nor is he a true believer. Trump is not a Christian. He tricked Christians into voting for him. He tricked those who hated other races and blamed those others for their problems. He is filled with "pipe dream" answers. He tells you what you want to hear, and instead of being truthful, he makes it seem that he can save you.

And I know the other was not one of Mine.

I said there should have been a new Republican candidate, not this old, stale way. But yet you choose this way. Watch how an outsider who doesn't have the nation's best interest comes and takes leadership. Let's see how long the people will look to someone

I did not put in office. Just because something takes way, that incident does not say that Yahweh willed it. I did not. Just because you have this current president doesn't mean I blessed him.

I dealt with many evil leaders over many seasons, and I tell you, you have one now. But will the people listen? Will the people turn and seek Yahweh? Will the people turn away from their human god poles, repent from their wicked ways, and turn their hearts back to Yahweh? Dear people, will Yahweh now become your God?

Should I do it, servant? Should I wipe the board clean with an eraser and start over? And if I do this, will the people turn their hearts back to Yahweh?
