

Letter Ten: The Many Brides of Satan

October 25, 2024

YAHWEH SPEAKS HERE:

You are now at that place where you can wage battles. What is coming forward? A prophet's saying. Seersgate, take a look at Satan's way of gaining natural influence over nations. "You spy": Those are the words I would say about her, this bride over the United States. You saw her spirit travel and watch you. Let's give a yielding of Satan's way. Share it. Why is Satan coming to visit? He doesn't want the world to see his servant uncovered.

What is a bride of Satan? One who yields Satan's web of deception through major outlets through social means. Satan yields a worker of this magnitude to breed the heaviest sayings of not needing a God to govern them, breaking how a human looks outside of their way for spiritual help. Let Me give an explanation using Satan's bride over the United States.

You know of Satan's bride over this current nation that you are living in. You know that her wealth could put you in bankruptcy even though your words are truthful. No legal natural evidence is available, only spirit engagement. What will we say here? The surging from Yahweh could kill her instantly, but Yahweh would rather go a different route than slay her at this moment. With Satan's bride, she infiltrated many social outlets, branding herself as a philanthropist. She gives items away. She gives health sponsorships away. She managed to interview many who have status, aligning herself with those the heavy population approves. Her name mentioned would be enough to get people to know who is referred to here. She deals with sinners and saints, only those "Christians" who carry a following of all religious standings.

This woman has sold her literal soul to Satan, hoping she is greatly rewarded for doing a trick. She says she is a Christian but tells people there are many ways to eternal living in Heaven. She works with the man who wears a dress, giving approval to his work. They spiritually drink, passing spirits between them that are not from Yahweh. Her label or branding on any product gives a seal of approval.

But take another look. What is her base motivation? What does she sell? "I am self-sustaining. I am my own god. I Am." And those who walk with her share her way of view. Every partnership she takes on will drink her core way: an exaltation of self. If she could, she would get every black person to turn and hate how there is a mixture of the races. She puts a daily reminder of how there was slavery in this nation. Her hatred doesn't end with hating the White race. She hates the one who would bow to any "god," whether human-built or the One True God. But she is a representation of her true master: "I want to be just like Yahweh. I want to be the God all worships." That is her trickery: "Take this free gift and let me now own you."

All who work for her are enslaved. And the Black race is her trophy. If she could get the Black race to side with her and say that they need no one and that it is okay to hate, still, what took way with the slave trade, she would have the Black race held under even greater bondage than those physical chains.

The mental way to turn the people would be to say "Hate them. They did this to your people with your skin." But Yahweh says, "Love your enemies." She brings a stain within the races, keeping the pain lit and segregating the heathens by race. Are not all in need of a real Savior separated by their service in Yahweh, not by their political party?

"If I could get you institutionalized, then I could turn you like a ship. You just sit there, hate, and let me be a savior who can give you bags of goods and lots of redemption from 'the man.'"

And this is what has taken way over these few decades. "Here you go! Here is a free _____. Here you go! You, too, can be loved like this person. Here you go! I can be trusted. I stand here on stage with this labeled pastor. You can believe me and how I say you can have a great life if you repeat these mantra words."

See it; her deceptive web is not sexual. Instead, she works with contracts. "I will help you gain fame if you sell your income, your royalties, and your soul to my way of work. If you go against me or speak out against my character, I will make your name as dung with the industries. Speak what makes me look good. I will never share my glory given from Satan with any of your way, but you will honor me by saying that your way is in full agreement with my way."

Look behind the veil. Look at what Yahweh sees: a dead soul who is never able to have eternal life from Yahweh. I will not give her a way to drink eternal living. Yes, there is free will to come and eat and drink Me in eternal life, yet Yahweh can harden a person to the placement where they never come and have eternal ways in Yahweh. See it? Her empire is Satan's throne but on the literal land through natural outlets of social and economic standing. She has infiltrated schools, churches, media, entertainment, lifestyles, and the government in her reaches. She is popular with those ministers who want her status. She is Satan's figurehead.

I am going to bring down her empire with a world-level prophet who will yield out Yahweh's hand and enforce what Yahweh says.

Should any prayer be offered for this person's soul as an intervention? I will not hear it. My ears are closed to her, for she led many into self-worship and to serving their own way in looking at many ways to eternal living. Her demonic secrets are still kept hidden from the public. I gave a partial negotiation with Satan.

(Please see below for a teaching.)

THE BRIDES OF SATAN

God, the Great King of the universe, gives this way to view of what Satan has built in the natural realm with humans as a bride function. Come and drink what Yahweh has given in a deep Spirit way.

YAHWEH SAYS:

Let's talk to you about this way that most will not have a power plan to know. How can the way have a power way under Satan's outlet, to have human females take on a vow of a covenant that would seal their way into everlasting torment in the lake of fire? A permanent sealing is in a leading plan with all of Satan's brides. Why? Come and take a deep drink into seeing what happens with a spiritual joining to Satan as a husband would join as one flesh with a natural bride. It is truly a high way of honor to be called this way in service as Satan's bride, and that plan is only seen as a high honor within Satan's occultic outlets.

When there is a sealing, there is a covenant promise that Satan will never let the human bride falter while they are in his position of power. How does Satan's bride manage to take care of natural living while they operate in Satan's high-power position? Satan carries the weight. Satan will be in covenant with his brides that are winning many into a deep web of great deception. Satan is willing and able to materialize as a human male and would mate in sexual outlets under natural intercourse. How can this happen? There is the Scripture that says how I came and looked as a human when visiting this human named Abraham. From Abram to Abraham—the shift was a real way in natural presentation, which in turn, put a shift in the spiritual way.

(1) Now the LORD appeared to him by the oaks of Mamre, while he was sitting at the tent door in the heat of the day. (2) When he lifted up his eyes and looked, behold, three men were standing opposite him; and when he

saw *them*, he ran from the tent door to meet them and bowed himself to the earth, (3) and said, "My Lord, if now I have found favor in Your sight, please do not pass Your servant by. (4) Please let a little water be brought and wash your feet, and rest yourselves under the tree; (5) and I will bring a piece of bread, that you may refresh yourselves; after that you may go on, since you have visited your servant." And they said, "So do, as you have said." (6) So Abraham hurried into the tent to Sarah, and said, "Quickly, prepare three measures of fine flour, knead *it* and make bread cakes." (7) Abraham also ran to the herd, and took a tender and choice calf and gave *it* to the servant, and he hurried to prepare it. (8) He took curds and milk and the calf which he had prepared, and placed *it* before them; and he was standing by them under the tree as they ate.

—Genesis 18:1-8 NASB

YAHWEH CONTINUES:

It is very possible for angels to come and appear looking as a human presentation. God came and appeared to His servant as a human presentation. Demons will also take on a natural presentation and deal with a human in a way of natural sexual intercourse. It is very important to live a holy and separated way unto Me. Never dabble in the occultic way, not even to see it out of curiosity. Only take in this training in dealing with demons based on if it's given at the will of King Jesus. Stand separated from the fleshly cravings that will bring you a deep separation from your Great Way. This is truly the will of the Great Way to bring you under a way of holy living that will be a great barrier against Satan's plan.

Let's continue with this major detail. No sin will ever have a way to enter Heaven. With that said, how were you able to visit Heaven even while in this fallen fleshly way? Your true being is a spirit. You live in an earthly way, in a natural dirt clay body. There is a true forgiveness in King Jesus. When a Kingdom citizen takes in spiritual trips, where they

leave their body under the guidance of the Great Holy Spirit, the natural clay is left, and just the spirit, with their soul, leaves to visit the spirit way. The spirit of a true Kingdom citizen is made alive based on this spiritual law that God will give eternal way of spiritual life upon salvation. This salvation plan will bring instant eternal life into the spirit way of any true follower of King Jesus. There is a literal covenant way in the spirit within a true believer, where the spirit takes a literal joining of power, wealth, and Kingdom purpose with the Great King Jesus. The spirit would bring a Kingdom purpose into the earth that will bring a true seeing, in spirit ways, in truth.

There is no way given to any human to see the Kingdom of God without having a true spiritual covenant in place. The power of Kingdom living—it stays with a true Kingdom citizen and gives them supernatural power that will overrule all that Satan sends their way. This will explain why King Jesus said to take heart—that He has overcome the world.

No Christian under a true covenant will have to live a defeated way continually if they will just embrace how the Kingdom operates. Wailing and begging your God to do something—that is a “poor” mentality. Learning how the power way operates under Kingdom order will bring real seedtime and harvest. There must be an actual planting of seeds. These can be placed into effect with natural giving. A breaking of the old debt way and a building up of a Kingdom provision based on Yahweh’s purpose will surely bring a great breakthrough. There is a great power surging given in knowing how to give into your purpose. It is also revealed by following certain natural laws that govern the outcome of natural wealth.

These brides of Satan have come under a parallel way with taking in a covenant joining with their whole way and will yield great destruction into the earth with natural cover work that will blind the average person from the actual way given. There are the brides of Satan that cover their hidden way in the occult so well that no one would dare wonder if they live that undercover way. They even thank God—for a fake way of making Christians accept their handshake in friendship. Christians drink from Satan’s brides and

will take endorsements and special advice in their own personal dealings. People worship Satan's massive outlets based in favor of a natural wealth. And under the surface, they drink the vilest ways.

Satan's brides may not even marry a human—out of their own respect for a covenant way with Satan. They will appear in a friendly way to lead others astray. Their gentleness, their way to make any embrace their purpose, will give many a quick path to Hell. The many ways of deception are covered under movie projects, TV shows, and special makeovers. People are not looking to feed on Satan's nature, but they cannot fathom that Satan has his top workers under the visage of common living outlets.

The world is following Satan's workers based on how Satan has governing plans. If God's people will truly separate and live holy under Yahweh, there will be a stripping down of influence dealt with under Satan's brides. You have a vision of a high-ranking worker in Satan's plan. She never will look as an evil way in presentation, yet you have seen how she has been sent to look at this servant given a world covenant to bring major deliverance into the camp and bring a shifting will into the governments of the world.

Most look at the figureheads of a nation to gauge the strength given when a real work through Satan's plan is presented through his territorial brides that administer great deceiving methods with cultural outlets to blind the ways of others from what they really are purposed in leading. Seersgate, you have to deal with that Satan's bride you have clearly seen in visions, servant. This is not a drill. Satan has a way to bring a great level of influence with his leaders, not by dealing with office workers in headquarters but surely through the way of travel power outlets of major hubs.

People are the shifting way of turning any group. Have you noticed how a territory will take on the natural presentation of the demonic stronghold that covers that power way? Have you noticed this Drug smell in the southern part of Florida? Have you noticed how

sex is rampant in certain Nevada territories? Have you noticed how Murder is a leading factor in a major outlet in Illinois?

Have you noticed that a major outlet in the state of California is giving new shifts within the public with their way of movies and TV productions? A culture shift affects how the people drink a certain influence in the spirit realm. Tell Me, where are the outlets of Yahweh? Where are the major ways of power that literally cover a land plan? Where is the power of the One True God? Why hasn't the Church moved into a powerful season of great signs, wonders, and miracles? Where is the glory-level surging of God Almighty? Where are the creative miracles? Where are the raisings from the dead? Where is the God of World Prophet Seersgate? Would you like to build up in Leesburg, Virginia?
